ABB Jürgen Dormann Foundation for Engineering Education

Stipend application deadline: Day / Month / Year

The ABB Jürgen Dormann Foundation for Engineering Education (ABB JDF) is committed to supporting excellence in education for students of engineering.

ABB JDF is offering a total of **three scholarships** for full-time students of the following faculties of the RV College of Engineering for 2017-18:

Electrical Engineering, Automatics, Computer Science and Electronics, Mechanical Engineering and Robotics, and Physics and Applied Computer Science.

The aim of the scholarship scheme is to support talented students undertaking education in engineering faculties who might otherwise not have the means to support themselves.

We are looking for male or female candidates with a special commitment to engineering excellence, who have the personal drive and desire to finish their studies successfully and start making a difference in the world.

1. Eligibility

Applicants must be above average high school graduates with a clear motivation to study engineering at one of the selected faculties of the RV College of Engineering, be permanent residents in India, meet the college entrance requirements and have a proven financial need.

Applicants must be nominated through the selected college; unsolicited applications will not be considered.

2. Selection criteria

Applicants will be judged according to the following criteria:

- Recommendation from the selected college
- Means test; financial need
- High school leaving certificate incl. grades
- Letter of recommendation by a high school teacher or principal; and
- Personal motivational letter.

3. What benefits can be expected?

The amount of the yearly stipend will be a fixed amount for one year, with the possibility to have it **extended up to four years**. It shall cover reasonable expenses, such as tuition fees, accommodation, books/personal computer, transportation and household expenses. The ABB JDF will cover a minimum of **INR 88,000 per year and pay a one-time amount of INR 25,000 for computer equipment/software to the selected student.**

Further, selected scholars can enjoy the following benefits:

- An ABB mentor supports the student's progress throughout their study
- Opportunities for ABB internships during holidays
- Regional and international events are held to provide additional technical and personal development training
- Depending on performance and student's preferences, the possibility of employment with ABB exists after graduation.

The acceptance of the scholarship does not require the student to accept employment, if offered, by ABB after graduation.

4. How long will the support last?

The scholarship is for a period of up to four years, but depends on the outcome of the annual review of the student's performance by ABB JDF. This review will determine whether the scholarship is continued on an annual basis.

5. What are the expectations of selected students?

The academic performance of an ABB JDF scholar is normally expected to pass the annual requirement with an average score not lower than 5.5 CGPA (Cumulative Grade Point Average).

ABB JDF scholars are expected to participate in the events and activities of the JDF program. They are expected to demonstrate good work attitudes, reliability, honesty, personality, leadership and team work.

A yearly appraisal will be sought from the student's faculty and from the ABB mentor. Reasons for discontinuing the ABB JDF scholarship are evidence of inability to maintain the standards itemized above as well as evidence of plagiarism, cheating in examinations or other dishonourable or criminal behaviour.

6. How to apply and what to enclose

Please ensure you understand both step 1 and 2 before applying.

- **Step 1**

Please complete the Stipend Application Form (sections 2-8) that is available from your University and return it to:

- RV College of Engineering,

Address

- latest by **Day / Month / Year**

Enclose all material as requested in the Application Form, sections 2-8.

Please do not yet enclose the accompanying recommendation letter from a high school teacher or principle or the personal motivational letter.

- **Step 2**

Once your application has been approved by the College in section 1 of the Stipend Application Form you may complete sections 9 to 11 and send in your full application documentation with all enclosures to your local ABB unit as indicated below.

- Applications close on **Day / Month / Year**

Enclose all material as requested in the Application Form, including your final grades/report from high school, a Curriculum Vitae (CV), a motivational letter as well as a letter of recommendation from a high school teacher or principal.

The **motivational letter** should contain the following information:

- A brief description of your background/personal circumstance
- The reasons why you feel the ABB JDF should support your degree study
- Your motivation for studying engineering.

The **letter of recommendation** should contain the following information:

- A brief description of your relationship with the referee, including the duration of your involvement;
- The reasons why the referee is interested in supporting your application
- Any active participation in a specific event or activity which highlights your eligibility for an ABB JDF stipend.

The full application must be submitted in a sealed envelope by post to the ABB JDF officer at your local ABB unit by using the following contact details:

ABB office address:
[Mention address here]

7. What happens next?

Receipt of applications will be acknowledged by email within a week. The ABB JDF Board will decide upon the final selection and communicate it via the ABB JDF officer to the College.

Applicants will be informed by the college by **Day / Month / Year** if their application has been successful or not. The selected students will be contacted by the ABB JDF afterwards.

Dear Dr Ranganathan,

From the last years record I find that we had given scholarship to a total of 7 graduate students (5 full scholarship and one amount was distributed between 2 students) .

For Post graduate students you had bifurcated one scholarship for 2 students .

That method of allocation is fine with me for now too .

You are the best judge to decide weather the 2 PG students are form the engg side or a mix of Engg and MCA .
I would at present like to keep the number of beneficiaries the same as last year .

Sir,

Thank you for your continuous support to RVCE students to pursue their higher studies in RVCE, Also, thank you for permitting us to distribute the scholarship for two Post Graudate candidates last year onward. We have few request from deserving candidates from Master in Computer Application girl students to extend the benefit to them also.

In this regard, I would request you kindly to provide the scholarship to two PG students including one scholarship to deserving MCA girl student. We will proceed further with your approval.

Dear Sir/Mam,

Greetings of the day from Schneider Electric India Foundation (SEIF)!!

We are pleased to inform you that we have started the renewal process of the already existing Schneider scholars.

Like last year, the renewal process will happen online through the following link (request you to hit the URL from tomorrow as there is some issue today):

<https://www.seif-scholarship.com/>

Last Date – 6/9/2019

Steps for the same:

1. In a new Google window, open the link : <https://www.seif-scholarship.com/>
2. Go to Sign In and login with the credentials student wise . Students are having their credentials (it was shared last year)
3. Click on "Apply for Renewal" for the session 2019-20
4. In the new window opened, attach the last year (both the semesters in one pdf) grade sheet, the fees paid for the current year and the bonafide letter for the students. All the documents should be attested by the college authorities.

Current 3rd year Degree Students:

S.No.	Name of the Student Selected
1	Lavanya B S

Subject: Re: [External] Request for scholarship to Post Graduate students of RVCE

Sir/Madam,

Further to our earlier mail communication, we are pleased to nominate a total four candidates from **Product Design & Manufacturing** and **Computer Integrated Manufacturing**. The split includes 3 from PDM and 1 from CIM.

We have followed similar criteria as like last year as mentioned below.

1. **One topper from each of the stream:** we have recommended one topper from each of the PDM and CIM
2. **Two girls from each of the stream:** Since there is no girl student from CIM , we did not recommend any one from this category. However, we have recommended two girls from PDM

We have formulated a panellist consisting of below Professors under the guidance of Principal to identify suitable candidate based on academic performance

- 1.Dr.H D GopalaKrishna- Professor in Mechanical Engineering & Associate Dean
- 2.Dr.K. Srilakshmi- Professor and Head, Department of Telecommunication Engineering
- 3.Dr.,Renukadevi- Professor in Civil Engineering and Dean-Non-circuit M.Tech programmes
- 4.Dr.Rajashree Shettar-Professor in Computer Science and Dean-Circuit M.Tech programmes
- 5.Dr.D.Ranganath-Dean Placement and Training

The nominations are

PDM

- 1.DyamanagoudaMudagoudar
- 2.Achala A Koushik
- 3.Mowlya R I

CIM

- 1.Bharath V

PFA the excel sheet containing the details of all applicants.

Thanks and regards
