Dear Sir

PI ref your mail of 19th March 2021

We have deposited a payment of Rs 2,98,000/= , on 30th March 2021 , crediting The Principal RVCE . This is towards the Raghuvendra Singh Foundation Scholarship for students in RVCE. We had earlier in the year transferred Rs 2,59,000/ = to the same account. This makes a total of Rs 5,57,000/= for the year as scholarship to students shortlisted by you. Please acknowledge receipt of the same.

Further we would like to mention that we have been disbursing scholarships to help poor and meritorious students for many years now. The object was to enable these students to graduate and get into a gainful employment/profession. Many of these students have now graduated and with the background of the prestigious RVCE, would be a part of the working community now .

I am happy and proud, that we have shared a part of the journey with these students.

However we would like to bring up a couple of points for consideration .

1. In the format of selection we had mentioned and expected that the beneficiaries of Raghuvendra Singh Foundation Scholarship , would on beginning their destined jobs would return some amounts to the Scholarship funds. It was expected and was not mandatory. As the primary objective was to continuously strengthen the Foundation for future aspiring students.
2. In light of the fact that most of the beneficiaries would now be gainfully employed, it is unfortunate that no beneficiary has come forward to contribute to the scholarship fund thus far and be a part of this noble cause.

We would like to have a meeting with your good selves to chalk out a new process / format and revised fund allocation for granting scholarship . We would like your advice and seek help in devising a process whereby the beneficiaries subsequent to entering employment , would refund at least some amount to help create a steady flow of funds to the foundation .

We will seek an appointment with you when the epidemic situation improves and is more conducive to movement in the near future .

We also request you to use your good offices to write to the graduated beneficiaries to help strengthen the foundation funds so that we could help many more of the students in future .

In view of the above and the fact that we have already transferred Rs 557000/= for the year I request you to not process any further scholarship requests / disbursals for this year.

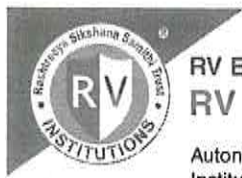

For the next academic session we would first like to finalise the strategy and then move forward with the selection process for the students.

With regards

S P Singh

Trustee .

Sir,

Greetings from RV College of Engineering,

Sorry for the delay in sending the nomination for scholarship scheme due to academic schedules.

Committee comprising the following Professors had met on 23rd March under the guidance of Principal and finalized below beneficiaries for the scheme including one girl candidate. The applications received for the scholarships were scrutinized thoroughly and identified the candidates since there was no scope for meeting them personally due to Covid 19 pandemic. The nominations are based on the Means and academic performance.

The Committee:

1. Dr. H D Gopala Krishna- Professor in Mechanical Engineering & Associate Dean
2. Dr. K. Srilakshmi- Professor and Head, Department of Telecommunication Engineering
3. Dr. Renukadevi- Professor in Civil Engineering and Dean-Non-circuit M.Tech programmes
4. Dr. Rajashree Shettar- Professor in Computer Science and Dean-Circuit M.Tech programmes
5. Dr. D. Ranganath- Dean Placement and Training

The Beneficiaries:

1. **Mr. Lalith Kumar**---4th semester Electronics and Telecommunication Engineering
2. **Ms. Pooja**-----4th Semester Electronics and Telecommunication Engineering

It is coincidence that both of them are from Electronics and Telecommunication Engineering but really needs support in the form of scholarship.
