# DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

## Report of the Alumni Meet-2022

Date: 15<sup>th</sup> Aug 2022

The department of Electronics and communication conducted an alumni meet in Hybrid Mode on 15<sup>th</sup> Aug 2022. The alumni meet started at 10.30AM in the Morning. Total 91 alumni (UG and PG) from 1985 batch to 2021 batch were attended the meet. All the teaching and technical staffs of ECE department were present during the meet. The alumni meet started by lighting the lamp with dignitaries followed by welcome address by HoD Dr. Ravish Aradhya. The achievements of the students and faculty of the department were highlighted. The Vice Principal Dr. K S Geetha highlighted the importance Electronics and Communication in the present era. The Principal, Dr. K N Subramanya, addressed the alumni and faculty. There was a cultural performance by the Alaap Team of the college. The alumni contribution to the department was discussed through group discussion. Many alumni expressed their interest to join hands with the department in curriculum development, Webinars, Workshop Series on 5G Technology and Scholarships stc. The faculty had a very good interaction with alumni. Vote of thanks was delivered by Dr. Prakash Biswagar. The alumni meet ended with National Anthem followed by Lunch at 2PM. The sample photos of the event are shown below.

**REPORT ON ANNUAL ALUMNI MEET-2022**

The Department alumni meet was held in the BT seminar hall on 9<sup>th</sup> July 2022. The numbers of alumni attended were 16. Dr. CH. Renumadhavi, HoD, E&IE presented the welcome address, gave brief introduction about the Department and highlighted upon the research centre in the department with number of faculties with PhD's and number of faculties Pursuing Ph.D's. She stressed upon the goals and responsibilities of alumni, invited them to contribute to the Department outcome based education system. She thanked all the alumni for being present for the day and wished them a grand success for the future.

Alumni secretary Dr. N.K Srinath gave an inspiring talk about Alumni association formation in RVCE welcomed the current batch of alumni to the Alumni association and told about free Alumni Registration and welcomed everyone for the event. The alumni association secretary Dr. N.K Srinath and Vice President Dr. Shushrutha distributed the appreciation certificate and one thousand rupees Amazon gift voucher to dept. alumni coordinator as token of appreciation.

The function started with a video clipping running in the background highlighting the then Instrumentation Department from the year 1981 to 2022 with different batches of students passed out each year with their achievements and group photos. Many alumni shared their experiences during their engineering days in RVCE, expressed their gratitude to the department, faculty, and RVCE. The session concluded with vote of thanks by Prof. Harsha alumni co-ordinator of EIE Dept.

Dr. K Sreelakshmi, Professor and HoD, delivered a welcome speech. She welcomed all the alumni, alumni office bearers, faculty & technical staff members of the department. She highlighted the progress and achievements of the department, implementation of NEP, center of excellence in the college, and other activities in the department. She also requested alumni to contribute in terms of technical lectures, conducting seminars and workshops,

providing internship training and project guidance to our students, curriculum design and many more.

Dr. Shushrutha K S, Alumni coordinator, RVCE Alumni association, addressed the activities carried out by the alumni association, almaconnect and requested all the alumni to participate in department level and college level alumni meets.

Many of the alumni have introduced their name, year of graduation, working place (college/industry) and shared their experiences and remembered their college memories. Some of them have identified and highlighted the strengths, weaknesses of the department with respect to teaching learning process, curriculum design, research and lab facility.

Finally, the program was concluded with vote of thanks to all the alumni who had joined online and offline, RVCE alumni office bearers, faculty and staff members of the department.

Lunch had been arranged to all the alumni and faculty and staff members of the department at Cauvery hostel.

**DATE: 10<sup>th</sup> july,2022**

## Alumni meet 2022

The alumni meet of 2022 was held on 9<sup>th</sup> of July at 11 am. It was held at **the** IEM department seminar hall in the presence of the dept. HOD C.K. Nagendra Gupta and all the other teachers of the department. Prof.Bhaskar was the alumni coordinator along with IDEA president, Shyamala babu (3<sup>rd</sup> year) with a team of all the IEM students from 2<sup>nd</sup>,3<sup>rd</sup> and 4<sup>th</sup> years organised and led the event.

The formal event was hosted by Deepika G of 3<sup>rd</sup> year IEM. The event began with the lighting of lamp with a welcome song sung by Anagha Udupa. Prof Bhaskar then addressed all of the alumni present followed by the HOD giving a speech.

The informal events were hosted by Mohana Priya of 2<sup>nd</sup> year, IEM. Starting with the informal events, the first one was a song presented by Bharath and team ( Shikar, Mrinal, Anagha Udupa). Then there was an activity organised by Shivaani and team (Yagneesh, Kishor and ) carried out by Dhanyata and Yashas Anand. A battle between the alumni-teachers and the students of the dept was held. After which there a dance performance by Anjali and team ( Keerthana, Badrinath, dhanush, Nyana, Tashwini, Tejaswini, Asha, Chirag, Mihir, Harsha, Anika, Divya, Kushala, Sahana, Danyatha, Trisha). Following the event, Prof. Bhaskar requested the alumni coordinators to give a talk. The alumni coordinators found the event very interesting and enjoyed the event throughout.

On thanking them, the alumni were asked to share their memories in the college and a few volunteers spoke about their college days and spoke about how IEM has helped them through their journey. Ganesh Rao (2008), Aditi Jharkhand (2001), Sanjana (2001) and Rahul spoke about their college experiences and Vinod (2000) spoke about how IEM concepts has helped in his career.

The next event on the line was activities conducted by the students that were very interactive. In this event, the alumni and the teachers participated.

A skit was also performed on the journey of college days. Skit was narrated and directed by Navya Mishra and Aditya. It was performed by students of 2<sup>nd</sup> and 3<sup>rd</sup> years (Dhanush, Ritika, Anjali, Badrinath, Uha, Venkatesh, Prashant, Tashwini, Chirag, Harsha, Akilesh, Tejas H, Gautam).

which was very nostalgic to watch and very much appreciated by all. Followed by the same, there was a journey video made by the students which also involved teachers in the act showing the moments in college and was very entertaining for all.

At the end of the event, the thank you note was given by Shyamala Babu addressing the alumni for making their time for the event and the teachers for giving this amazing opportunity and also thanked the students who worked hard for the same.

The post production was done by Maitreya B and Benedict T.

The event wrapped off with a group photoshoot of the alumni with the staff and then with all the participants of the event.

We would like to thank all the alumni, teachers and students for making the event a success.

## **Report of ISE - Alumni Meet held on 22<sup>nd</sup> Oct. 2022**

### **ISE - Alumni meet 2022 Agenda**

- Alumni reaching the Dept. at 10:00 AM
- 10:30 to 10:45: HoD-Highlighting the new developments in college and Dept
- 10:45 to 11:30 : Listening to Alumni success story
- 11:30 to 11:50: Faculty / staff addressing
- 11:50 to 12:00: Women in Cloud Visit & Dr. Mamatha G S highlighting about WiC
- 12:00 to 12:10: Visual Computing Lab visit & Dr. Anala M R highlighting about VC
- 12:10 to 12:30: Discussion with Alumni
- 12:30 High-Tea

### **Event Summary**

Alumni meet 2022 was conducted by ISE Dept on 22<sup>nd</sup> Oct. 2022. It was conducted in the presence of Principal and HOD ISE. All alumnus gathered and gave a small talk on how the college has been able to bridge the gap between industry and the academia, also shared their experience in the respective corporates they were working for and how they can try to associate college with the corporates through various internships for students and training programs for faculties.

Later, HoD-ISE, Dr. B M Sagar briefed on the activities and initiatives taken by the department and also showed them WOMEN IN CLOUD LAB as well as a VISUAL COMPUTING LAB. This was done in order to get them know about the current projects and how they can also contribute towards it. A small meetup session was also made so as the current students can interact with the alumni and make connections.

## DEPARTMENT OF AEROSPACE ENGINEERING

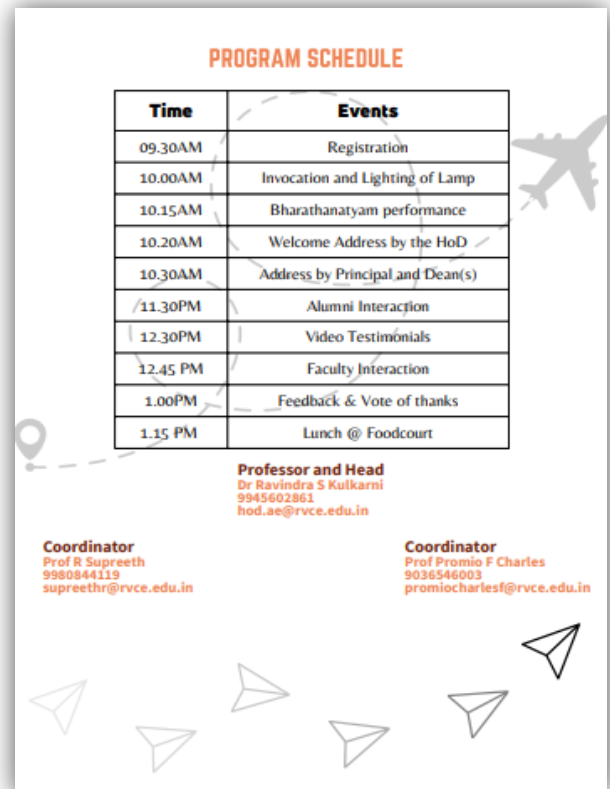

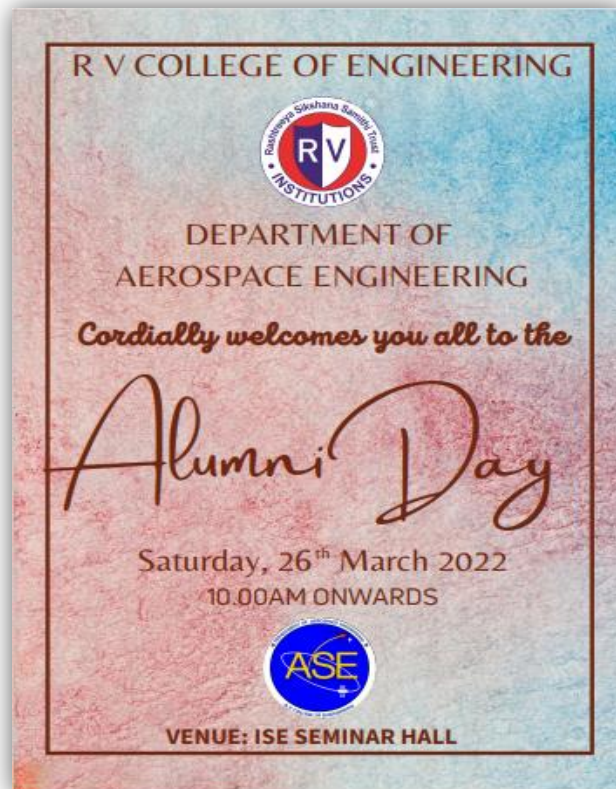

### REPORT ON OFFLINE ALUMNI MEET

**Date:** 26<sup>th</sup> March 2022 (Saturday)

**Time:** 10.00 am to 2.00 pm

**Venue:** ISE Seminar Hall

The Department of Aerospace Engineering organized its first Alumni meet on 26<sup>th</sup> March 2022 in the ISE Seminar Hall through offline mode. The purpose of this meet was to reunite the alumni of Aerospace Engg program to connect, renew friendships, besides helping young professionals in their technological journey. Also, this meet allowed the alumni to recollect their memories in college and interact with each other, and share their current experiences. As the Alumni meet was conducted for the first time, around 30 students participated in the event.

### *Invitation for the Alumni Day Event*

The Alumni were cheerfully welcomed by the volunteers with a rose, and the registration began with light refreshments. Upon registration, the alumni were seated in the ISE seminar hall and the event was formally kick started by Ms Nandini Sanikop and Mr Krishna Dev Rathi from 7<sup>th</sup> and 5<sup>th</sup> semester

respectively. Alumni meet started with an introduction and formal welcome by Krishna Dev Rathi and Nandini, and followed by invocation song by Sanjana. The special guests present for the Alumni were Dr. K N Subramanya, Principal, RVCE, Dr. Geetha K S, Vice Principal, RVCE and Dr. Uma, Dean – Student Affairs, RVCE. The dignitaries of the day were welcomed and accompanied by Dr. Ravindra S Kulkarni, Professor and Head, Department of Aerospace Engineering, RVCE.

*Dr K N Subramanya, Dr K S Geetha, Dr B V Uma and Dr Ravindra S Kulkarni gracing the stage*

*Dr Ravindra S Kulkarni delivering the welcome address*

Dr. Ravindra S Kulkarni, HoD-ASE delivered the welcome address where he formally invited everyone to the first Alumni meet of the Department. Dr. Ravindra S Kulkarni, HoD-ASE addressed

the alumni by giving a presentation on the ongoing department activities and achievements. He shared his experiences of starting the Aerospace Engineering Department at RVCE. Also, he gave a complete overview of academic process and research activities happening in the department. Further, he appreciated all the alumni for excelling in their respective professions. After the welcome address by HoD, all the dignitaries for the day were welcomed with a token of appreciation by giving a sampling to each. Prof. Supreeth, Alumni Coordinator - ASE, welcoming Dr. K N Subramanya, Principal RVCE. On the same lines, Ms. Sanjana, 7<sup>th</sup> Semester student welcomed Dr K S Geetha and Dr B V Uma with a sapling each.

*Greeting the dignitaries with a sampling*

The lighting of the lamp was followed by the invocation song by Ms Sanajana. One Alumni from each of the graduated batches was called on stage to light the lamp along with the guests.

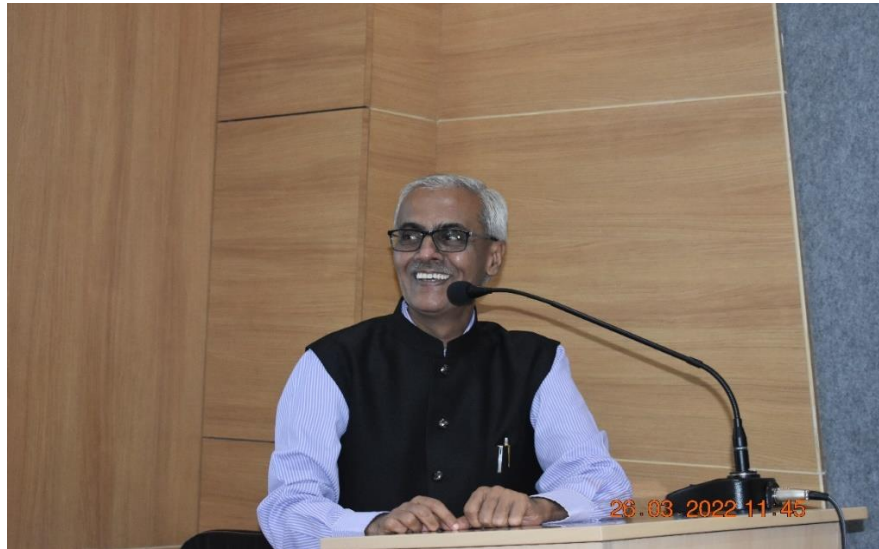

*Lighting of the lamp by Principal and Vice-Principal*

*Alumni sharing the diaz with the guests for lighting the lamp*

*Dr K N Subramanya, Principal, RVCE addressing the alumni*

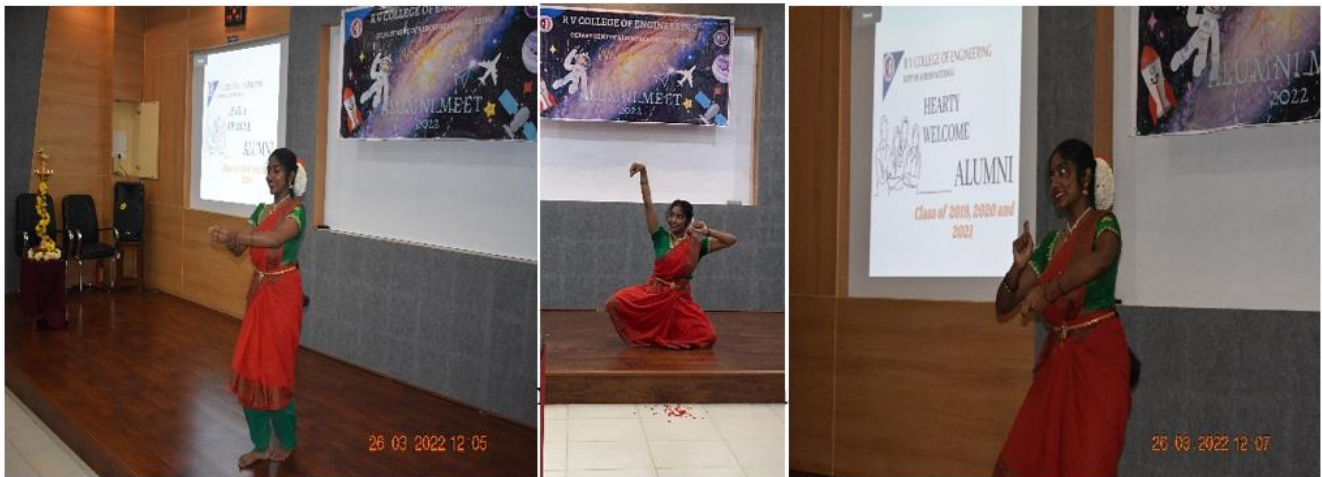

Dr. K N Subramanya, addressed the alumni and encouraged them to host the Alumni meet in the future days to come. He also insisted, all the alumni to maintain networking with the department and provide able guidance to their juniors. The alumni were instructed to adapt the culture of enhancing the collaboration between the industry and the institute, thus contributing to the growth of the department.

*Dr K S Geetha, Vice-Principal, RVCE and Dr B V Uma, Dean-Student Affairs addressing the gathering*

Next, Dr. Geetha and Dr. Uma too addressed the gathering and encouraged them to provide required guidance and opportunities for their juniors in the Department.

After the dignitaries addressed the alumni, a Bharatanatyam performance was presented by Ms. Mandira Ghosh, a 7<sup>th</sup> semester student. She rendered an elegant performance and was greatly appreciated by the attendee.

***Dance performance by Ms Mandira Gosh***

Following, as a special gesture, Dr. K S Shushrutha, Alumni Coordinator, RVCE addressed the alumni and appreciated few graduated students for their contribution and valuable feedback on LinkedIn. Additionally, he insisted to always maintain good networking with the Department.

***Dr K S Shushrutha delivering his brief talk on the Alumni Day***

In order to provide the valuable feedback, Alumni interaction was initiated and many voluntarily shared their challenges, memories and opportunities in the Department. Many shared their views and gave few suggestions towards the placement.

***Alumni sharing their journey at RVCE***

Later, the Alumni who couldn't make it to the event had shared their experiences via testimonial videos which were played through the session. Before bringing the curtains down, Dr. Promio Charles F, presented the concluding remarks for the event by thanking everyone involved in organizing and

conducting the Alumni meet. All the alumni took photographs with their professors, junior and other staff present before breaking for lunch, thus concluding the first Alumni meet-2022. The following is the list of Alumni present at the event.

*Photographs of students*

**DEPARTMENT OF CHEMICAL ENGINEERING**  
**RV College of Engineering**  
**A REPORT ON ALUMNI MEET – 2021**

27<sup>th</sup> of November 2021, Saturday; Department of Chemical Engineering was all set to receive its Alumni for the Annual Alumni meet –. This time event was organized with a special agenda of felicitation of two great teachers Dr. Y J Rao and Dr. M A L Antony Raj on the occasion of superannuation of Dr. M A L Antony Raj.

It was a gathering of about 85 people at the Seminar Hall of Department of Chemical Engineering. The occasion was graced by over 60 Alumni who had joined offline and online from various batches who graduated as early as 1987 to the year 2021 (latest); invited guests, our beloved Principal Dr. K N Subramanya, Deputy Director of RVCE – Shri Ishwar Doddamani, RVCE-Alumni Association office bearers, Deans, Faculty members, and non-teaching staff of the department. Dr. Y Jagannadha Rao was the guest of Honour. The batch of 1996 celebrated their silver jubilee (25 years) of graduation and walked down the memory lane in the department. Lunch was organized at the Food Court for all the members of the gathering between 12.30 and 2 PM.

The registrations began at 12.30 PM in the very well decorated department premises. The event took off traditionally with an invocation by Ms. Shwetha a student of final year Chemical Engineering followed by welcome address by Dr. D Ranganath.

Dr. K N Subramanya, Principal presided over the function and shared his experience of working with Dr. M A L Antony Raj. He also briefed about the developments in the college and called for more Alumni involvement in department and college activities.

Dr. Vinod Kallur, Head of the Department presented the journey of the department so far marking the milestones and the future plans. He thanked all the Alumni who have contributed to the Department activities through Scholarship, Invited Talks, REACT, Syllabus revision and industry visits. He specially thanked the batch of 1996 for having come to the meet and celebrating their 25 years of graduation. He unveiled the challenges before the Department and various modes in which Alumni could get involved for the betterment of Teaching Learning Process, Research and Industry-Institute interface.

Dr. Y Jagannadha Rao and Dr. M A L Antony Raj were felicitated at the event marking our token of our gratitude and respect towards their commendable service at the institute and their invaluable contributions to the field of education. Citation of Dr. M A L Antony Raj was read by Sourav Adithya, a final year chemical engineering student. Dr. M A L Antony Raj addressed the gathering and shared his experiences he had in his long spread career in academia. Dr. Y J Rao talked about his time with Dr. M A L Antony Raj and cherished many moments of wit, wisdom, work and service.

Alumni made their representations sharing their fun filled memories, honest opinions, responsible feedback and positive suggestions. The need for exposure of academics to the industry and the need for continuous improvement in the quality of technical education in order to increase the employability and facilitate meaningful research were emphasized in their reflections.

and  
Department of Civil Engineering  
RV College of Engineering  
Bengaluru-560059**

## **REPORT ON RV CIVIL ALUMNI MEET 2022 HELD ON 29.01.2022**

RV Civil Alumni Meet 2022 was conducted on 29<sup>th</sup> January 2022, Saturday in Online Virtual mode using Google meet platform due to prevailing SOP/guidelines due to Corona virus pandemic. A total of 83 participants including current and senior faculty were present. The meet started at 6.30 PM with a brief introduction and warm welcome by Prof. Archana M R who was the moderator of the programme.

**Prof. Radhakrishna**, HoD presented the progress made by department in past year through the department PPT.

**Prof. N K Srinath**, Secretary, Alumni Association gave a glimpse of activities undertaken by alumni association:

- Silver medal for second rank
- Sponsor of lunch for teacher's day, offline alumni meet
- Core executive members selected during previous election meeting once a month
- Plan to implement interaction number
- Requested all alumni to share email id and contact number to enhance database

**Prof. K S Shushrutha**, Vice President on behalf of President, RV Alumni Association

- Glimpses of the recent 40 years reunion at RVCE, December 2021
- Encouraged for happening of such events

### **Alumni requested to share views/thoughts**

**Mr. Yoga Arulnamby**, Canada - Srilankan student - shared the past memories RVCE extended help to all aspirants as he is employed in fabrication firm

**Mr. Satyaprakash**, Secretary, Sarthaka Trust highlighted on the continuous financial assistance provided to needy students.

- Alumni committee shared views
- Shared valuable insights of being part of RVCE
- Shared views of next gen engineers established off shore
- Alumni specifically mentioned the enormous contribution of Prof. P V Srinath
- Recalled the teaching of Fluid Mechanics and its helpfulness as means of livelihood even at present

**Prof. Geetha**, Vice Principal, RVCE Delivered Presidential Address and Conveyed regards to all alumni for their precious presence and shared views of interaction with Prof. NKS

Requested Alumni to stay connected by the means suggested - sharing of name, email id, contact info and batch.

**Prof. Shanmukha**, Dean Academics requested to share views on alumni committee.

Praised the approachable nature of Dr. P V Srinath, Dr. N K Srinath and thanked all for joining the meeting. Requested to share alumni with their continued legacy in RVCE in terms of present and upcoming students.

Requested alumni for increased interaction, guest lecture and also option for sabbatical for faculty / student for training and to involve alumni for syllabus formation as well as feedback. Alumni were requested to make time to visit campus and provide value inputs. Highlighted the Entrepreneurship cell for boosting student placement and thanked the gathering

**Mr. PGR Sindhia** was requested to deliver a few words.

- Explained the inability of health - covid recovery, inspite of which delivered an inspiring speech (1971-72) During Prof. K H Anantharamaiah as HoD, Rajarathnam as Principal
- Recalled the precious moments spent at RVCE and his associations, Expressed his willingness to support needy students. Was appraised by Mr.Satyaprakash regarding Saarthaka trust and requested his kind self to be present for getting acquainted with alumni and students.

Feedback link shared by **Prof. Sindhu D** and requested alumni to give the feedback.

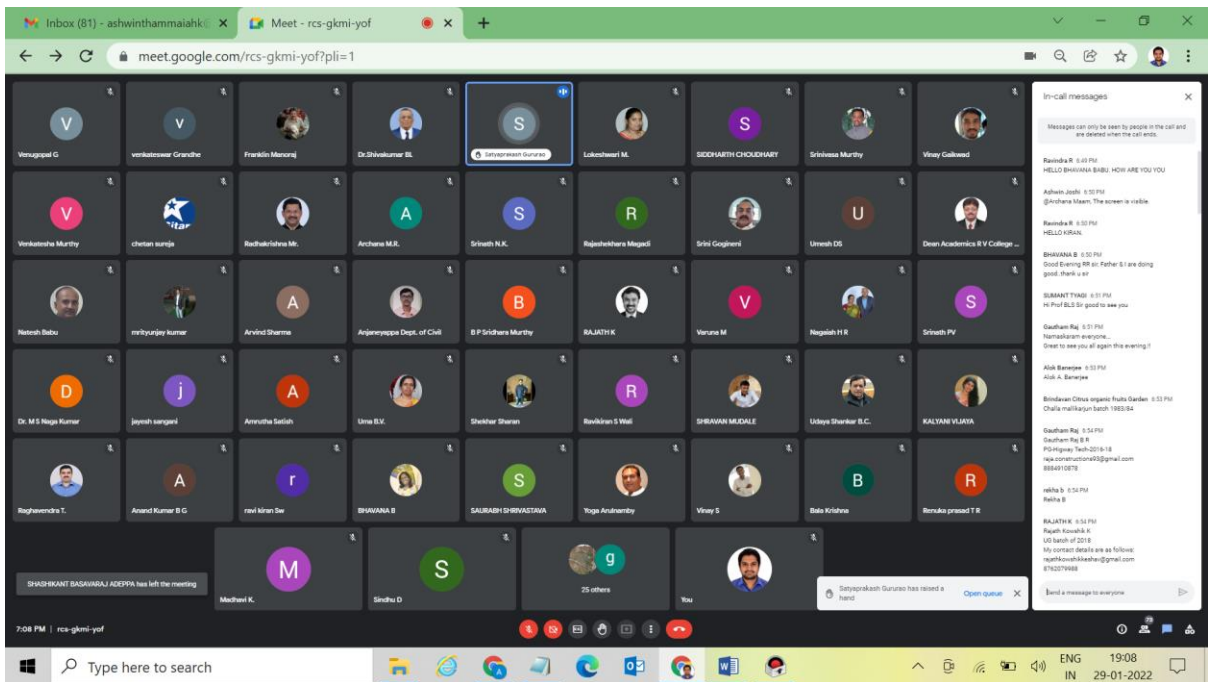

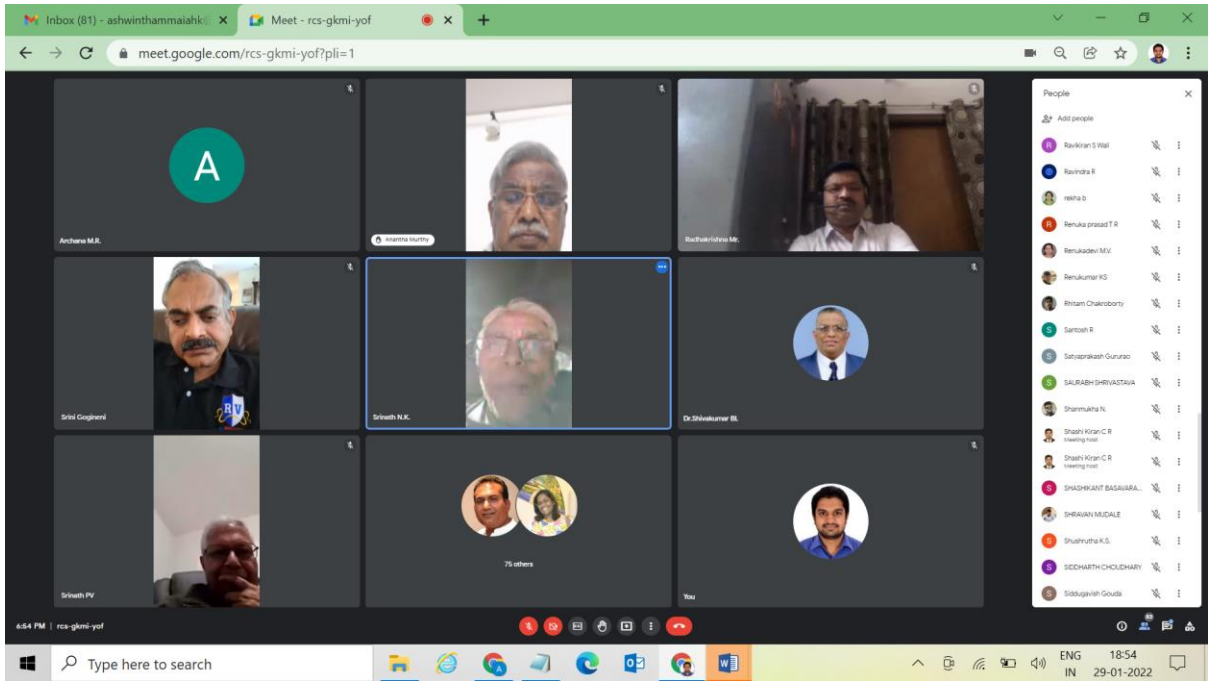

Following which **Prof. Anjaneyappa** delivered Vote of Thanks, requested for interaction to continue even further, direct and indirect help to ensure the department to prosper.

**Prof. B L Shivakumar** congratulated the speech delivered by Mr. Sindhia and recalled a few alumni associates with extending the greetings to all members present.

The alumni further continued the informal interaction, recalled the various memoirs during attainment of degree.

The meet was concluded at 20:16 after informal interaction among all alumni with mutual adorations.

DEPARTMENT OF ELECTRICAL & ELECTRONICS ENGINEERING  
(An autonomous institution affiliated to VTU)

**ELECTRICAL ALUMNI MEET**

Department of Electrical & Electronics Engineering, RVCE proudly celebrates 50 years of glory and success. In the last 50 years the department has grown from strength to strength in academics, research and consultancy. On this memorable occasion, an online ELECTRICAL ALUMNI MEET is organized by the Department of Electrical & Electronics Engineering on Saturday, 26<sup>th</sup> February 2022 using CISCO Webex Platform. We have invited alumni of all batches to participate in the reunion. Since alumni have been away from the institute over the years, this meet was a great opportunity to interact with old buddies and relish past memories, with all teachers who had taught during their student days.

**PROGRAMME SCHEDULE is as under:**

**ALUMNI MEET 2022 on 26<sup>TH</sup> FEBRUARY 2022**

10.00 - 10.30 AM	Welcome Address by Dr. M N Dinesh(Alumni Co-ordinator)
10.30 - 11.00 AM	Address by HOD , Dr. Rudrana Nandihalli
11.00 - 11.05 AM	Address by Dean Academics Dr. Shanmukha Nagaraj
11.05 - 11.15 AM	Placement Activities by Mr. Suresh C
11.15- 11.50 AM	Feedback by Alumni
11.50 - 12.10 PM	Vote of Thanks by Dr. Adinath Jain

Around 40 Alumni participated in the Virtual EEE Alumni meet 2022. The welcome speech was delivered by Dr. M N Dinesh. He announced that the EEE alumni meet will be a regular annual affair to be held on the last Saturday of February every year. This was then followed by Dr. Rudrana Nandihalli , HOD EEE department gave the overview of the activities undergone in the department such as research projects undertaken , academic activities , skill development programmes, framing a syllabus as per NEP implementation. Dr. Jayapal R, Principal RVIT welcomed alumni, and his classmates from the 1983 batch. Then Dr. Shanmukha Nagaraj addressed alumni, spoke about the introduction of summer internship for 2021 batch students. Requested the alumni for collaboration and Employment opportunities, Support in professional activities for students. Also said that faculties can be given an opportunity for getting expertise from Industrial experts and can be sent on sabbatical training for 2 to 3 months. Also acknowledged all the faculties about their excellent work during the pandemic situation. Mr.Suresh gave the statistics of placements , current Fourth semester PG students around 15 out of 17 got internship along with job conversion from Centum, Bosch, Closoft, Ampere, NXP , Volvo, L&T . And from UG out of 65 around 45 placed in various companies such as Airbus, CISCO,

Qualcomm, HP, Infineon, Oracle , Schneider, Tata consulting IT, core and managing sectors. Average package is around 10 L.

Around eight alumni spoke during the feedback session and many congratulated and thanked the department for arranging the alumni meet. They highlighted the importance of being alumni of RVCE and expressed that RVites are well recognized at the national and global arena. The meet was concluded with a vote of thanks.

The following were the feedback given by Alumni:

Mr. Ramesh Chandra Dwibedi from 1983 batch worked for almost 35 years from Tata motors LTD , Jamshedpur thanked and shared his experience .

Mr. Arun from the 1983 batch from the UK expressed his achievements and feelings .

Ms. Bhavna Talesara PG student from 2013 batch, working in E-mobility domain extended her help in this .

Mr. Omkar PG student from 2018 batch, highlighted his company Closoft technologies and working on design of batteries and interested in offering internship projects for both UG/PG students.

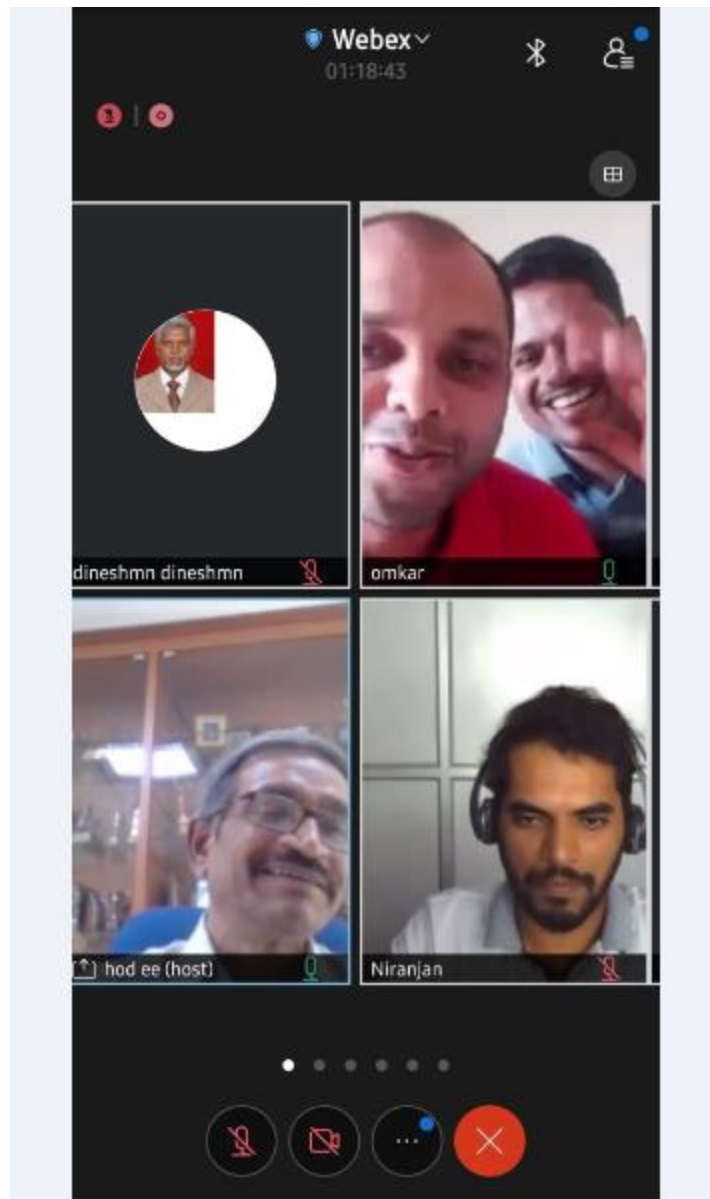

Mr. Hrishikesh from the 2020 batch expressed about software skills, machine learning , compatibility of working in software field and opportunities in this field.

Mr. Niranjana from the 2018 batch remembered his college days and showed his interest in collaborating with the department.

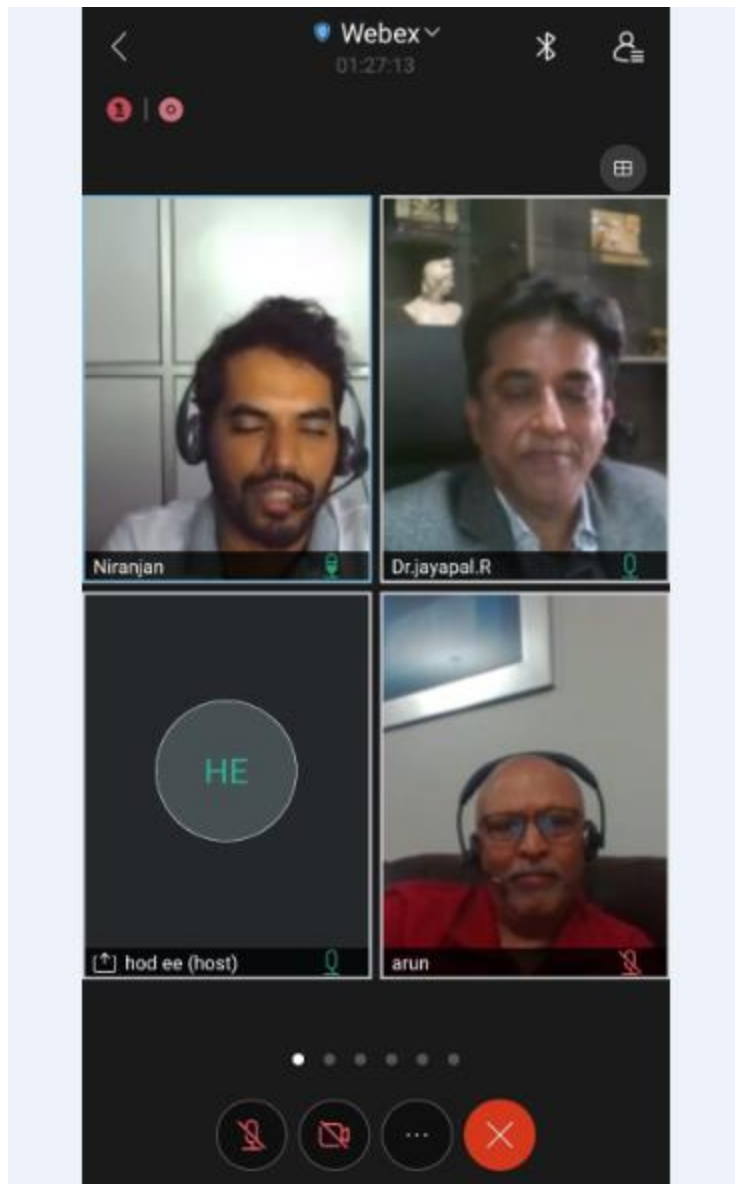

Mr. Phalun from the 2018 batch thanked for conducting an online Alumni meet so that can attend from abroad(Texas). He is very happy to help juniors in the electrical domain.

## 2021 ANNUAL GENERAL BODY MEETING

**Date: August – 15 – 2021**

**Time: 11 AM**

**Venue: Civil Seminar Hall, RV College of Engineering, Bangalore 560059**

Agenda:

1. Welcome address - By President
2. A brief report for the year 2020-2021 – By Secretary
3. Audited report – By Natesh Babu
4. Platform open for the feedback from alumni.
5. Election process and results by Chief election officer – Dr. Radha Krishna (Civil HoD)
6. Introduction of all the new Alumni Executive members. And welcome to the new members.
7. Platform open for the new members to present.
8. Any other points that have to be discussed that are conveyed earlier.
9. Vote of thanks

**Lunch is arranged after the meeting.**

**Note: Any member can put forth their points for discussion taking prior permission from the chair. The mail address is [sramakrishna46@gmail.com](mailto:sramakrishna46@gmail.com) and [rvcealumni2021@gmail.com](mailto:rvcealumni2021@gmail.com)**

### MINUTES OF THE MEETING:

The meeting started at 11 am in the Civil Seminar. Since there was not enough quorum the meeting was adjourned. The meeting was rescheduled at 11.30am.

There were 27 members present for the AGM. The members present from previous executive office bearers were-

President – Ramakrishna, Vice-President – Gopal L Bengari, Secretary – N.K. Srinath, Treasurer – Natesh Babu, **Executive member K S Shushrutha** The other executive members were not present.

1. President Ramakrishna gave the welcome speech. He gave brief note about how RVCE Alumni Association started and mentioned some of the previous executive office bearers.

**ADDRESS:** The Alumni Association RVCE, RV College OF Engineering, Mysore Road, R. V. Vidyaniketan Post, Bengaluru, Karnataka 560059 <http://www.rvcealumni.org>  
[rvcealumni2021@gmail.com](mailto:rvcealumni2021@gmail.com)

2. Secretary N.K. Srinath gave a brief report of RVCE Alumni association activities that took place last year 2020-2021. He also mentioned how the activities has reduced because of the pandemic. The activities that were mentioned are: (a) Silver Medals provided to UG and PG students, (b) Continuation of Newsletter, (c) Conduction of election – (It was the first time there was some competition for secretary and executive committee members). It was the first-time online election was conducted. (d) Interaction with the College Principal and RSST members for the alumni fee collected. (e) Honouring out going students in some departments by alumni of their sponsoring for it. (f) Department level alumni meeting held by each department each month online.

Following this Srinath also mentioned how to motivate alumni to attract them – (a) Having name plant of donors. (b) Honouring most achieved alumni during AGM (c) Conducting outing (Hiking) for alumni. (d) Sending greetings to Alumni birthday / special occasions. (e)Sponsoring each department for a project in the name of alumni. And (f) Improving different alumni association in other states in the country and outside the country.

3. Treasurer, Natesh babu presented the budget. The budget was approved by Shanta ram Nayak and seconded by Pooja.
4. The platform was open for alumni discussion.
  - a. One of the alumni wanted to know how to take the activities forward. It was mentioned that the activities for 2021-2022 will be taken up in detail during the executive committee meeting online.
  - b. There was a question on why the amount was not collected from the trust. The reason was that the amount is being collected by the college during their admission and the trust has not clearly mention in the receipt. Hence they are yet to calculate and give the list of students who are admitted and the total amount collected.
5. Dr. Radha Krishna who was appointed as the chief election officer for Alumni association election give a report of the election as follows:

The following members are elected for various positions in the RVCE alumni election conducted between Sunday, 27th June 2021, to Sunday, 11th July 2021. The list of elected committee members are given below.

## DEPARTMENT OF MASTER OF COMPUTER APPLICATIONS

### ALMA-CONNECT-2022 MCA Dept. Silver Jubilee Year (1997 - 2022)

The annual MCA alumni meet was held on **25<sup>th</sup> June 2022** the last Saturday of June month. There were around 77 online registrations through Google form and around 48 Alumni participated in the meet. Alumni from different batches from 1997 to 2018 registered and attended the meet.

Dr.N.K. Srinath, Secretary, RVCE Alumni Association, Dr. Shushrutha, Vice President, RVCE Alumni Association, Dr. Geetha KS, Vice principal, RVCE and Dr. Ranganath D, Dean Placement, RVCE graced the occasion. The function started with invocation by Aishwarya Rokhde of VI semester MCA student and by lightning the lamp by dignitaries and the alumni.

**Inauguration of Alma-Connect-2022 by Lightning the Lamp**

## DEPARTMENT OF MASTER OF COMPUTER APPLICATIONS

Dr. Andhe Dharani, Director Dept. of MCA welcomed the gathering and she briefed about the growth of the department from 1997 with intake of 50 students to till 2022, the Silver jubilee Year. Dr. Ranganath, Dean Placement, RVCE addressed the gathering and appreciated the support & effort of MCA department and its alumni in placing the MCA students in different companies.

**Dr. Ranganath D, Dean Placement addressing the gathering**

Dr. N.K. Srinath, Secretary, RVCE Alumni Association briefed about the activities of RVCE Alumni Association and also welcomed the alumni to take part actively in the departmental activities. He also told about the different events and achievements about the Alumni association. Dr. N.K Srinath mentioned about the different scholarship schemes which will be provided to students of RVCE from the Alumni Association.

## DEPARTMENT OF MASTER OF COMPUTER APPLICATIONS

**Dr. Shrinath NK, Secretar, RVCE Alumni association addressing participants**

Dr. Shushruth, Vice President, RVCE Alumni association was announced as president of the RVCE Alumni Association by the the secretary Dr, Shrinath as the previous president is abroad. Dr. Shushruth briefed about importance of networking with RVCE alumni to grow in professional life and he told that around 150 RVCE alumni are CEOs in different companies. He also told how to become the association member and contribute back to the institution.

**Dr. Shushruth, President, RVCE Alumni Association addressing alumni.**

## DEPARTMENT OF MASTER OF COMPUTER APPLICATIONS

Dr.Geetha KS, Vice Principal, RVCE, took over the podium and explained the different ways, how the alumni can contribute back to the institution in the form technical talks, BoS member, handling the course, guiding the students and supporting the poor students by financial assistance.

**Dr.Geetha KS, Vice Principal, RVCE addressing alumni**

A small fun activities like pick & answer the question, Musical pillow & perform the action, building the pyramid and blowing the ball were conducted where all the alumni actively participated and enjoyed.

**Subramanya Shankar of 2005 batch playing pick & answer the funny question.**

## DEPARTMENT OF MASTER OF COMPUTER APPLICATIONS

**Alumni playing Building pyramid using balloons.**

Feedback session was given by the alumni where they shared their experience about how the academic process in MCA department and the staff (teaching & non-teaching) helped them in their carrier. Mr.Poornachandra of 2018 batch said that MCA syllabus at RVCE is in par with the industry requirement. Narasimha Prasad of 2016 batch mentioned that he was from a district level Govt. Degree college and MCA dept, environment at RVCE trained him, so that today he is an entrepreneur and he will make MOU with MCA, RVCE in different activities.

**Feedback Session from alumni of different batches**

## DEPARTMENT OF MASTER OF COMPUTER APPLICATIONS

Akshay Marathe of 2005 batch wrote a shloka in Sanskrit instantly as below and explained to the gatherings.

धरणिज

|  
||

म्

||

**Meaning:** I bow down to lord Shiva, who is worshipped by Vishnu and is decorated with moon. And I pray him to protect ( to do good) to our educational institute always.

रुक्मः

०५७०९ ||

‡  
शोभतेऽम्बरे॥

**Meaning:** This college is maker of life for its students and provider of success in their jobs. This specially shines in the educational sky like sun in the real sky.

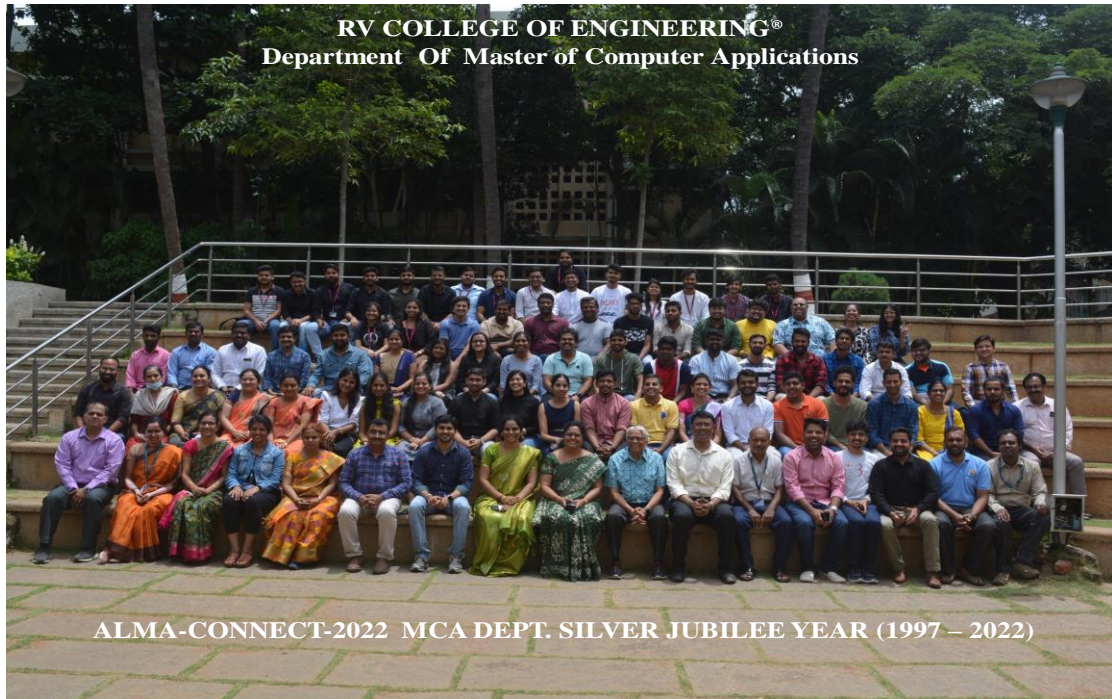

**Written on: June 25, Saturday during RVCE MCA Alumni meet**

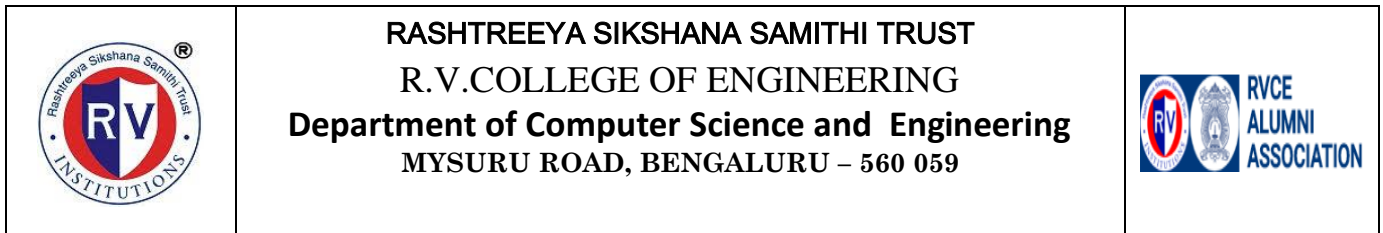

**Meter:** These poems follow Anushtup meter. In this, each poem has 4 lines. 5th letter is always a single syllable (hrasva), 6th letter is always a double syllable (deergha). In first and third lines, 7th letter is deergha. In second and fourth lines, 7th letter is hrasva.

**Fun Fact:** These two poems have a few words pertaining to MCA department. Dharani (Dharani ma'am), Dharanijadhara ( Lord Shiva has moon on his head and moon is believed as son of earth - B H Chandrashekhara sir), Prasada (Renuka Prasad sir), Shrinatha (Shrinath sir who was a guest that day), Rashtra Vidyalaya (RVCE), Vijaya ( Vijayalakshmi ma'am), Mitra ( Sumitra Devi a'am) and Shobhate (Shobha ma'am)

## DEPARTMENT OF MASTER OF COMPUTER APPLICATIONS

The function was ended with vote of thanks from Dr.Mohanaradhya, Assistant Professor, MCA. The entire event was coordinated by Dr. Mohanaradhya, Alumni Coordinator and Santhosh Kumar.

## **RVCE-CSE-ALUMNI MEET2020 - Report**

**12/12/2020**

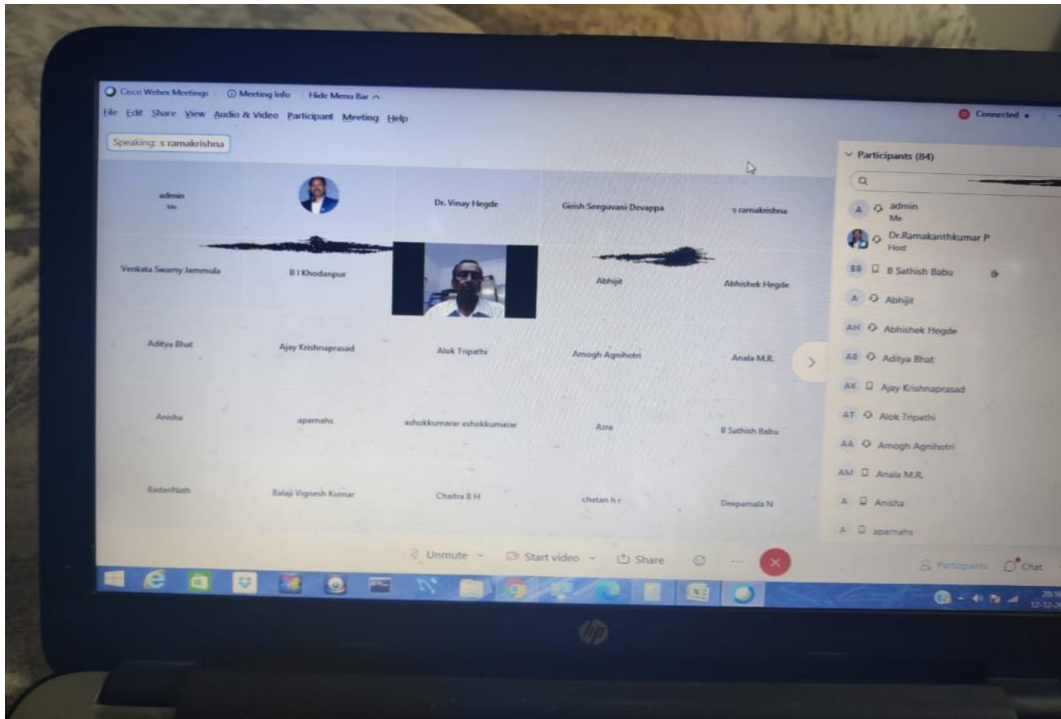

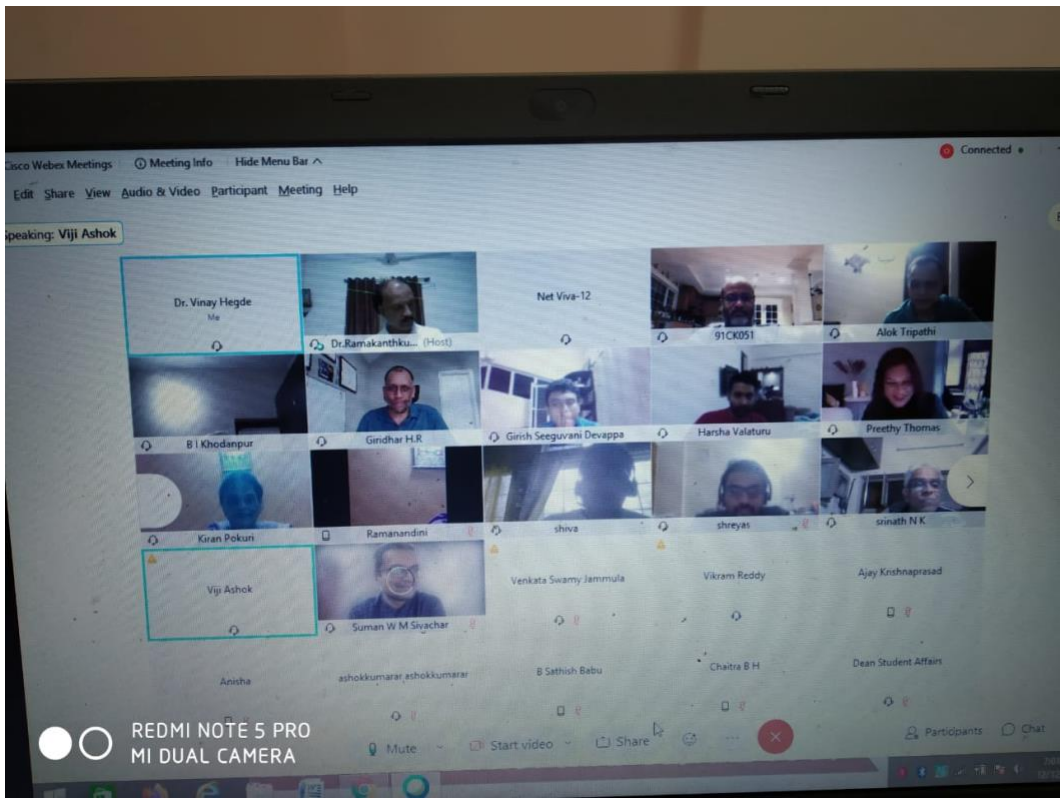

It is customary to have Alumni meet every year for the development of the department as well as the college so that we collect various feedback from Alumni to improve our academics. This year also Department of Computer Science and Engineering celebrated its Annual Alumni day( Virtual Meet this time due to Pandemic) on 12<sup>th</sup> December 2020, Saturday from 7PM-9:15PM. Google form was circulated with attractive pictures of last alumni meet over social media about the event. UG registrations were 104 and PG registrations were 46. Facebook page about the event was floated and necessary publicity about the event done was done with relevant posters and banners. Around 109 Alumni(UG and PG ) actually participated for the meet.

On 12<sup>th</sup> December2020, Inaugural function of the Alumni meet was held online with a invocation from Prof. Sneha. The Welcome address was done by Dr. Soumyarani. Associate Professor, CSE Department. Dr. N.K Srinath, Alumni Secretary RVCE Alumni Association greeted the participants officially and started the meet. Dr. Ramakanth Kumar P, Professor and Head CSE, briefed about the departmental activities and told about the research initiatives of CSE Departments and requested alumni group to support in the technical talks and Hackathon etc. along with the new initiatives like new branch initiation in the domain of AI and ML.

Former Head of Departments Professor Ranganatha Setty , B I. Khodanpur and Dr. Shobha GS interacted with Alumni in strengthening the department and wished to take department to a new height in the coming years. Ramakrishna S, President RVCE Alumni Association actively participated and briefed about the Association and its current status. The highlight of the Alumni interactions were the talk by Mrs. Vijayalakshmi Bidari, IAS officer Government of Karnataka, and K N Ramesh IAS officer Government of Karnataka. Both officers assured to work with RVCE in the coming years., Mr. Suman, Alumnus of CSE and IFS officer Nagaland participated and spoke about the technological advancement in the government sector. Few others spoke about the improvements that department can do to excel the quality of Education in CSE Department. The faculties interacted with the Alumni during the event. The Alumni gave lot of inputs towards growth of the department. Finally the event was concluded by Dr. Rajashree Shettar, with Vote of thanks.

Photo graphs of the event are as below.

### DEPARTMENT OF ELECTRONICS AND INSTRUMENTATION ENGINEERING ALUMNI MEET 2021

26-06-2021 Saturday, from 7:00 to 9:00 PM

Online meeting link:

<https://rvce.webex.com/rvce/j.php?MTID=mab4fcab4c7b23d2b064d16e15df953bb>

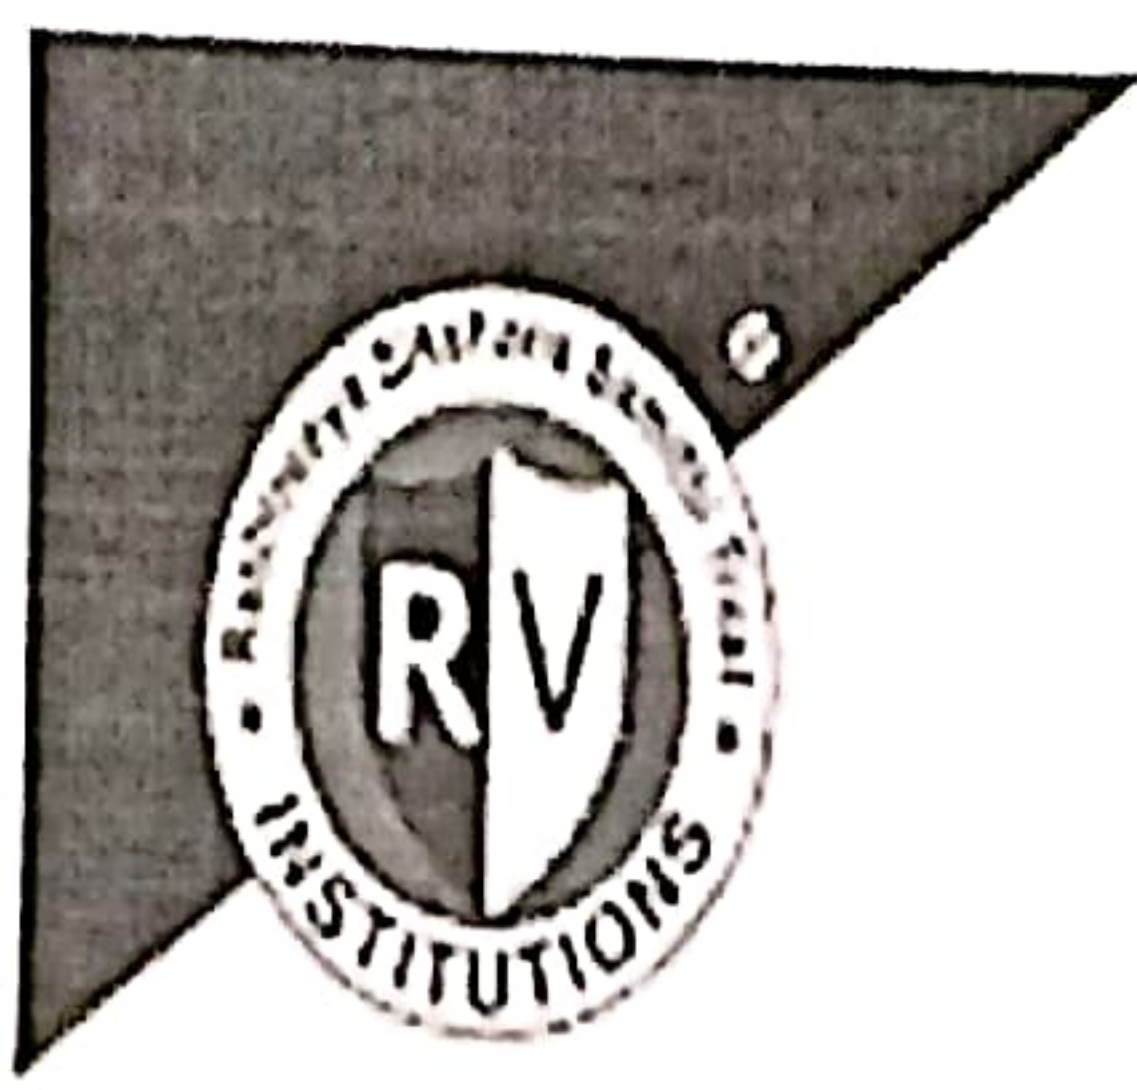

Platform: Cisco WebEx

- The Alumni Meet program started with an invocation song by Miss. Nireeksha Ramesh of VI Semester, EIE Dept. Total 107 participants attended the meeting.
- Dr. CH. Renumadhavi, HoD, E&IE presented the welcome address, gave brief introduction about the Department UG and PG program and highlighted upon the research centre in the department with number of faculties with PhD's and number of faculties Pursuing Ph.D.'s.
- She elaborated the goals and responsibilities of alumni, invited them to contribute to the Department outcome-based education system. She thanked all the alumni for being present for the day and wished them a grand success for the future.
- Alumni secretary Dr. N.K Srinath gave an inspiring talk about Alumni association formation in RVCE, welcomed the current batch of alumni to the Alumni association and talked about free Alumni-Registration and welcomed everyone for the event.
- The function started with a video clipping running in the background highlighting the then Instrumentation Department from the year 1981 to 2021 with different batches of students passed out each year with their achievements and group photos.
- Many alumni shared their experiences during their engineering days in RVCE, expressed their gratitude to the department, faculty, and RVCE.
- Few of the Alumni promised to help the alma mater in the processes of placement by taking the sessions online in guiding the students in the placement preparation and offering internships.
- Recent alumni of 2020 batch Mr. Ramakrishna Makhani shared his journey and challenges faced in perusing the higher studies at Master in Automation and Robotics, TU Dortmund University, Germany.
- The session concluded with vote of thanks by Dr. Tabitha Janumala alumni co-ordinator of EIE Dept.

**IEM Alumni Meet 2021- Report**

The department of Industrial Engineering and Management of RV College of Engineering had organized the Online Alumni Meet on 29.05.21 at 6pm. The alumni meet is conducted every year in order to reconnect with the Alumni and celebrate their various achievements.

The concept of alumni association evolved for needs from both the ends, i.e. academicians and professionals, in the aim of building a bridge between college life and career life, so that the fresher graduates are made proactive to face the current challenges of competitive professional world. Both the ends shall work hand in hand to help each other for achieving the goal.

Dr. C.K. Nagendra Guptha, Head of the Department, welcomed the gathering and thanked all the alumni for responding to the invitation from college and being present for the alumni meet in spite of their busy schedule. He then proceeded with presenting the college report highlighting the various milestones reached in the past year.

Principal, Dr.K.N Subramanya also welcomes the alumni gathered and shared insights on improvement work happening at RVCE.

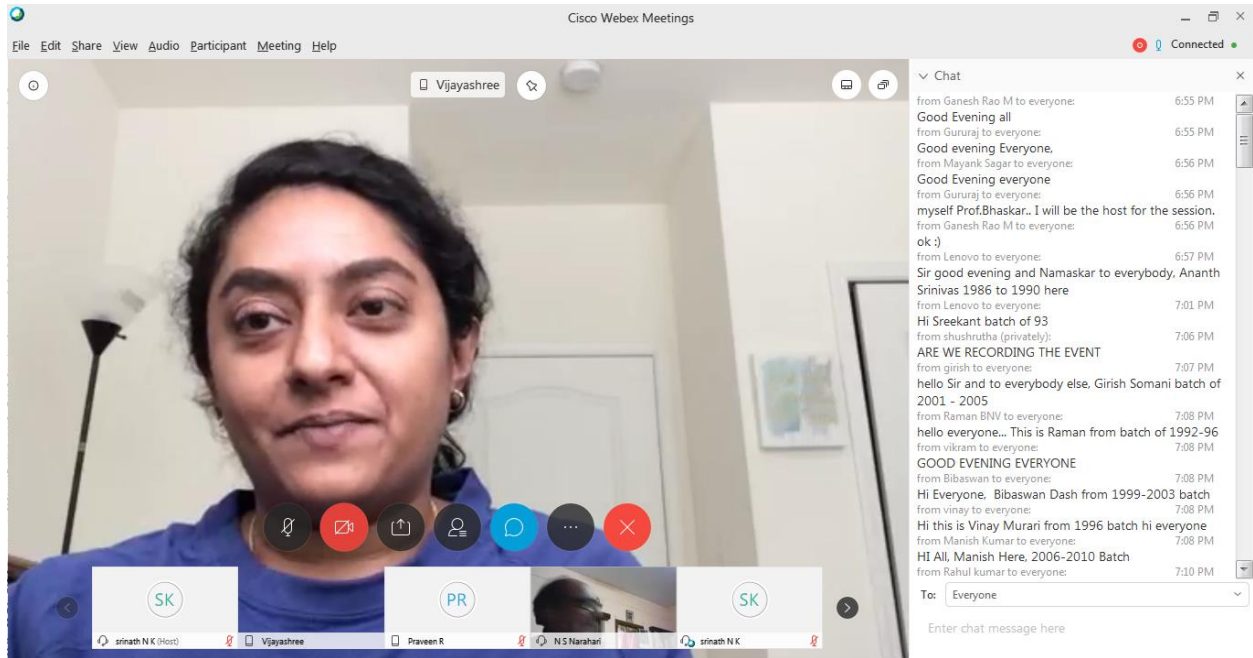

The welcome speech was followed by Dr.N.S.Narahari, Professor- Dept of IEM, The entire faculty was present for the occasion along with several enthusiastic ex- students.

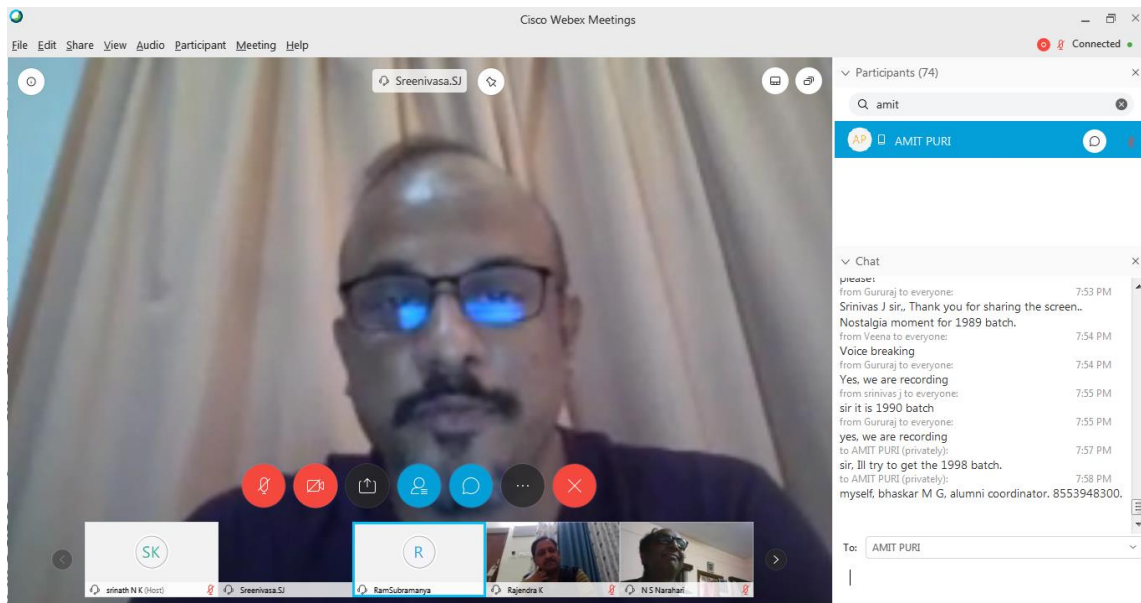

After the inaugural session, alumni's shared their nostalgic thoughts. Alumni coordinator distributed the Alumni feedback forms which included feedback on curriculum and on the infrastructural facilities provided by the institute and collected their opinions through filled Alumni feedback form.

Vision & Mission of the department and importance of the PEO's & PO's were explained to the Alumni. All the Faculty members were involved in a discussion of the various academic Programs and activities with the alumni.

### Take away points from the thoughts shared by alumnus

1. Though IEM as a course appeals to a broad horizon, it sometimes can be confusing for an entry level graduate which needs to be looked in to.
2. In today's day and age, rather than investing on CNC and other mechanical infrastructure, concentration should be streamlined towards Programming side.

3. Several Alumni shared how they feel abreast with skills in dealing with challenges of corporate in comparison with their subordinates.
4. Several alumni obliged the department's request to come back to college and address students on courses with industry orientation.

**Key inputs for conducting next alumni meet:** (Qualitative feedback from alumni)

1. Current batch of students should be available as they are the main stakeholders
2. If the degree certificate from the university is distributed on the day of alumni meet, then definitely the recent batch which has passed out will be there to receive the degree certificate.
3. The alumni meet should be conducted on such a day which is convenient for first year students to attend.
4. If possible, conduct it outside the campus once in four years for a change.
5. Connect with few eminent alumni through online on the day of alumni meet.
6. Go live on social media handles like face book or Instagram on the day of Alumni meet to increase the eyeball count who witnessed the event.

Prof. Narahari N.S, proposed the vote of thanks. He thanked the Alumni for taking the time to come for the Alumni Meet who have made it a very special and memorable one. He thanked the various organizers of the event (teaching, non-teaching staff) whose hard work and dedication made the event possible. He also thanked the management of RVCE for the support and guidance which has made Alumni Meet 2021 a grand success.

Report by

## Department of Information Science and Engineering

### Report of ISE, RVCE Alumni Meet(Online)

Online Meeting Tool used: Cisco webex

Meeting Link:

<https://rvce.webex.com/rvce/onstage/g.php?MTID=ea389f3d2f263af9021effeae60d2f561>

Date: 10 Oct 2020(Saturday)

Time: 10am to 1pm

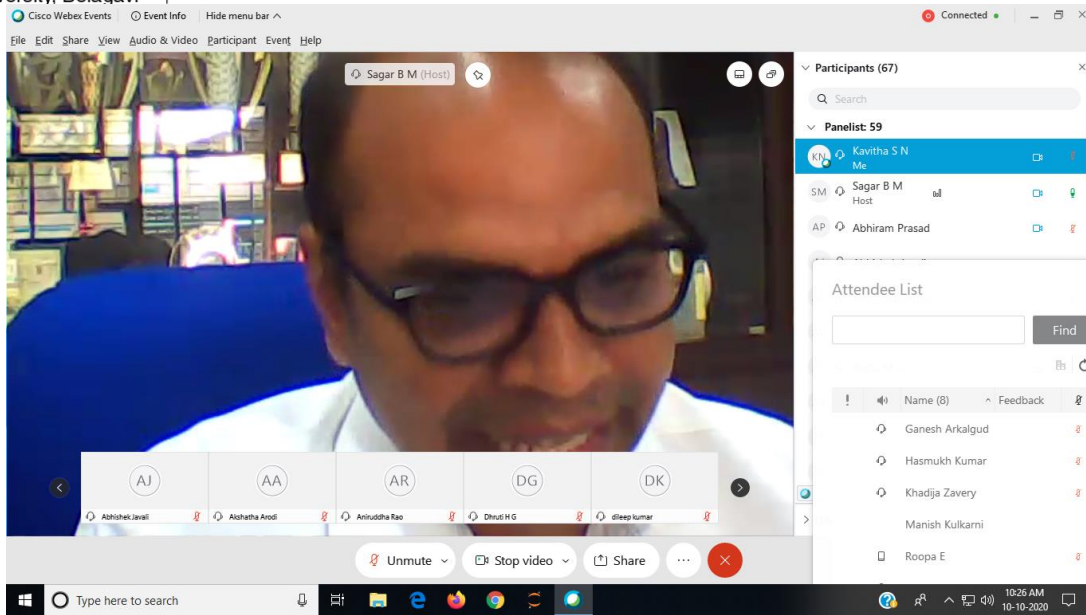

The Department of Information Science and Engineering organizes Alumni meet every year in the month of October. This year the meet was organized on 10th October 2020 in online mode. The aim of the meet was to reunite the students working in various places and to recollect the college memories and also to share their work experience. Around 78 students participated in the event to facilitate the program.

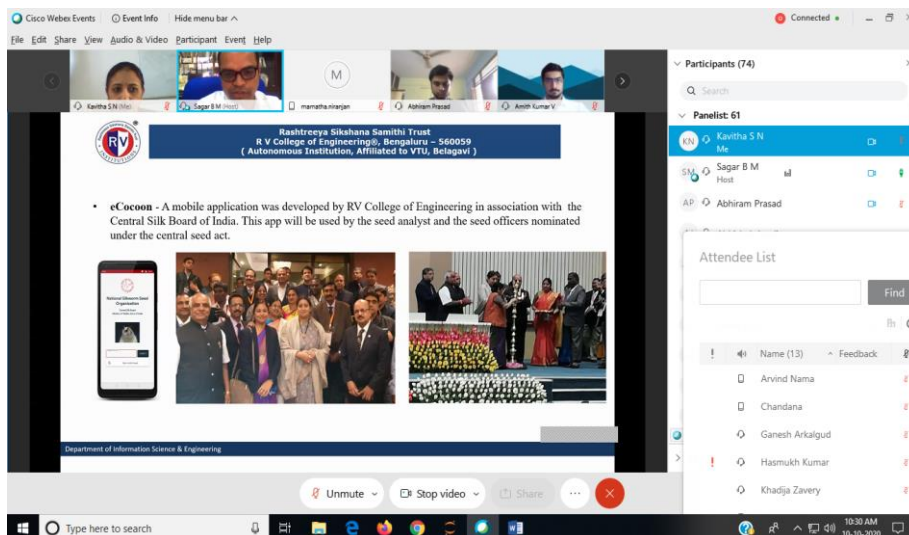

Alumni meet started with an invocation song by Dr.Mamatha G S, Professor and Prof.Anisha B S, Assistant Professor of ISE department.

Dr. B M Sagar, HoD-ISE delivered the welcome address by welcoming all alumni , Dr.N K Srinath, former HoD, ISE, Mr. Ramakrishna (Chief Engineer, PWD), President, Alumni Association-RVCE, all Staff of ISE department. He also welcomed Dr. G N Srinivasan, for the Alumni meet.

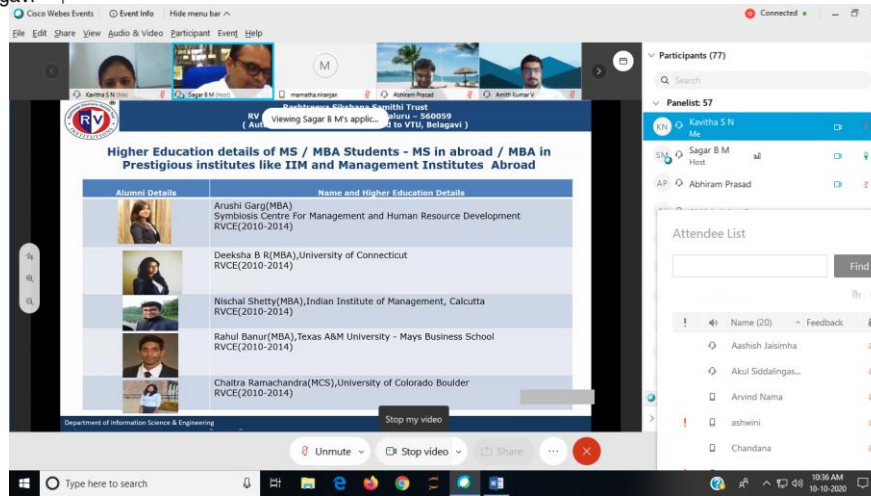

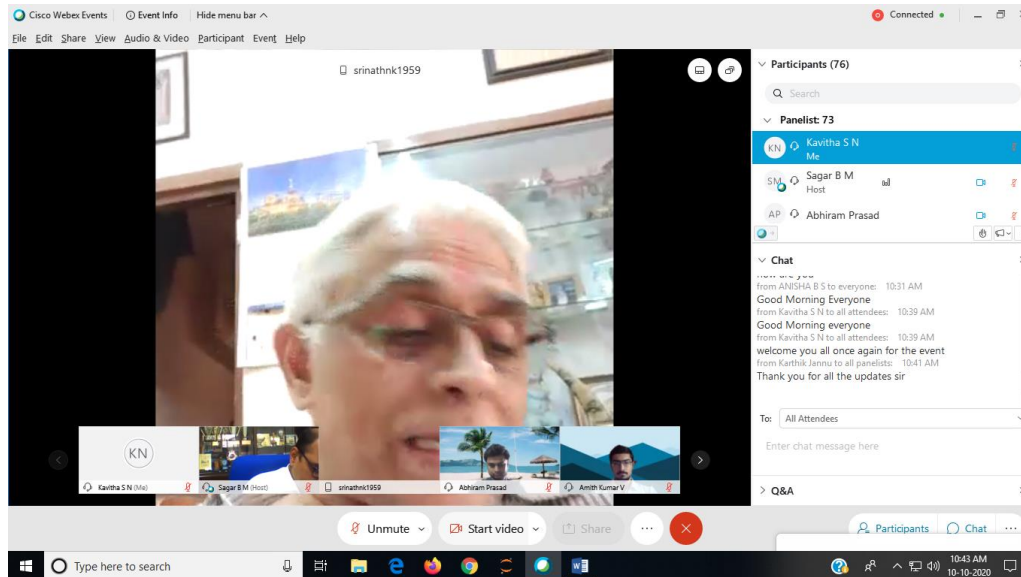

Dr. B M Sagar, HoD-ISE addressed the alumni by giving a presentation on the ongoing department activities and achievements. He gave a complete overview of academic processes and research activities happening in the department. He also appreciated alumni who have excelled in their profession, and also their involvement in the constant learning process of ISE department. HoD invited alumni to be a part of the academic process by providing guidance in Research activities at the Research Centre and also to suggest innovative methods which can be adopted for learning.

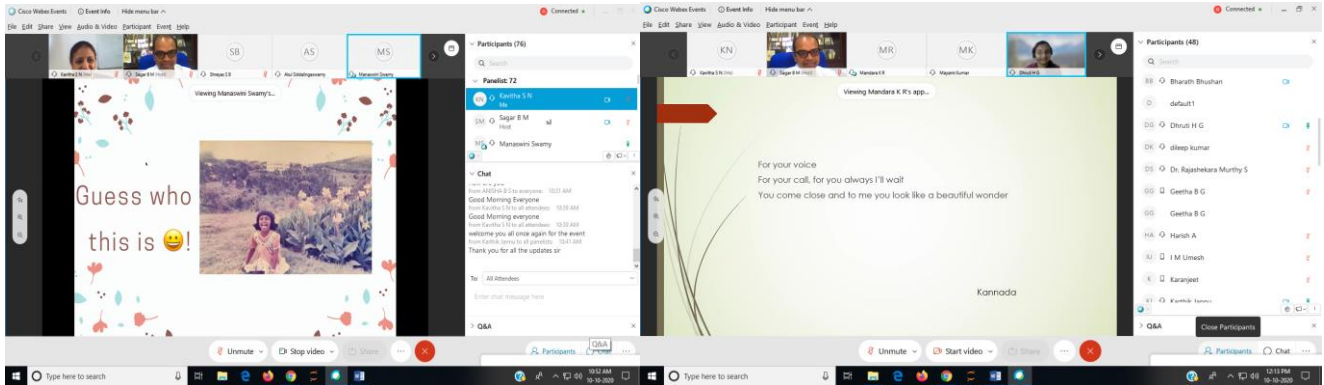

Dr.N K Srinath, addressed the alumni and recalled some of his experiences during his stay in RVCE as HoD in ISE department. He also requested the alumni to be in constant interaction with the department and provide able guidance to their juniors.

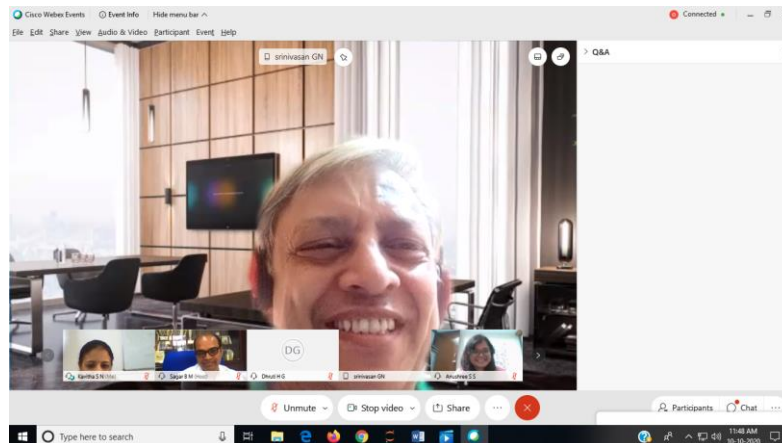

Our Alumni students to name Ms. Manaswini, Ms.Mandhara, Ms. Anushree, Mr.Bharath Bhushan and Ms. Dhruthi organized many fun and interesting events such as guessing the faculty name from their childhood pic, guessing a historical place, identifying a movie song, translating the given sentence to lyrics of a popular song and so on. The audience enjoyed the events. These events helped the audience to be lively and active throughout the event.

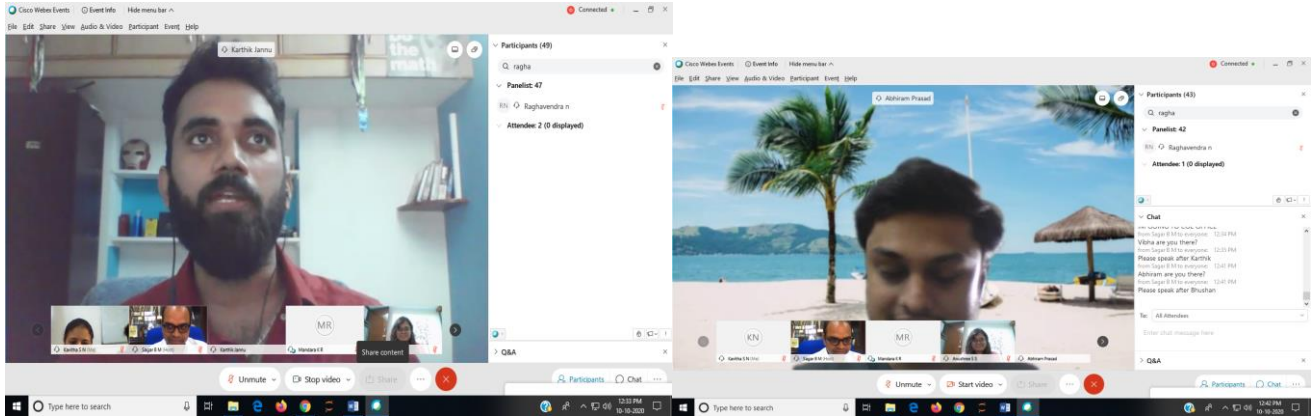

Dr.G S Mamatha, Professor and Associate Dean, PG studies addressed the audience and gave a complete overview on PG related activities and PG students achievements.

Dr.G N Srinivasan graced the occasion and motivated the alumni through his words.

Some of our alumni students to name Mrs.Shubha Raj, Mr.Karthik Jannu, Ms.Vibha Valsan, Mr.Rohit Ramesh, Mr.Ujjwal Gulecha, Mr.Abhiram Prasad and Mr.Bharath Bhushan shared their work experience and expressed their interest in involving in academic activities of the department.

Our faculty presented a surprise dance performance to welcome alumnus to the virtual meet. This was very much appreciated by the alumni.

Lastly Prof.Geetha V presented the concluding remarks for the event by thanking everyone involved in organizing and conducting the Alumni meet.

**Registered list:**

Sl.No	Name	Batch(From-To)	Course
1	Venkat	2012-2016	B E in Information Science and Engineering

**DEPARTMENT OF CHEMICAL ENGINEERING**  
**RV College of Engineering**  
**A REPORT ON ALUMNI MEET – 2019**

10<sup>th</sup> of August, Saturday; Department of Chemical Engineering was all set to receive its Alumni for the Annual Alumni meet – A walk down the memory lane across its corridors of nostalgia.

The event was graced by over 60 Alumni from various batches who graduated as early as 1987 to the year 2019 (latest); our beloved Principal Dr. K N Subramanya, Mr. Ramakrishna, President, RVCE-Alumni Association, Dr. N K Srinath, Secretary Alumni Association, Dean of Student Affairs, Dean Academics, HoDs, students, Faculty members and non-teaching staff of the department.

The registrations began at 9.30 AM in the very well decorated department premises. The event took off traditionally with an invocation by Ms. Shwetha a student of 2<sup>nd</sup> year Chemical Engineering followed by welcome address by Dr. M A L Antony Raj while he also invited Alumni members to come back to Department to continue their education under MSc (Engineering) by Research and PhD programs offered by the Department of Chemical Engineering.

Dr. K N Subramanya, Principal addressed the gathering on academics, placement, and research in RVCE. He also provided information about IDRC and Incubation Centre in college and invited Alumni to be part of Incubation center. He emphasized on enhanced Alumni involvement with college activities and appreciated their contribution towards their Alma mater. "Triple Point" – the newsletter of Department of Chemical Engineering was released during the event.

Mr. Ramakrishna, President, Alumni Association addressed the Alumni and shared his experiences during his college stay and briefed about Alumni association activities. Dr. N K Srinath addressed the gathering and explained the activities of Alumni association and called for the active involvement of the Alumni in the Alumni association activities. He invited all the Alumni members to be part of AGM meeting of Alumni Association that was to be held on 15<sup>th</sup> of August 2019.

Dr. Vinod Kallur, Head of the Department presented the journey of the department so far marking the milestones and the future plans. He thanked all the Alumni who have contributed to the Department activities through Scholarship, Invited Talks, REACT, Syllabus revision and industry visits. He specially thanked the batch of 1994 for having come to the meet and celebrating their 25 years of graduation. He unveiled the challenges before the Department and various modes in which Alumni could get involved for the betterment of Teaching Learning Process, Research and Industry-Institute interface.

Alumni made their representations sharing their fun filled memories, honest opinions, responsible feedback and positive suggestions. The need for exposure of academics to the industry and the need for continuous improvement in the quality of technical education in order to increase the employability and facilitate meaningful research were emphasized in their reflections.

A scholarship of Rupees Two Lakh funded by Alumni across all batches was presented to Azhagiri Vignesh of 2<sup>nd</sup> Year Chemical Engineering marking the Alumni spirit of giving back to its Alma mater.

Batch of 2005 expressed their commitment to provide financial support the needy students of Chemical Engineering.

An award winning short movie “The Spoon” directed by Mr. Shrikanth Katagi, our Alumnus of batch 2006 was screened followed by a singing performance by our Alumnus Mr. Lohit T.

First half of the event concluded with vote of thanks proposed by Dr. Jagadish H Patil and was followed by lunch sponsored by Alumni Association.

A panel discussion on Water Research-Challenges and Opportunities was organized during the second half. The panel comprised of the following Alumni members working in the field of Water research and management:

- Ms. Geetha B S Managing Director ,Praxair India Pvt. Ltd
- Dr. Krishna Kulkarni, Founder of Nichrome Testing Laboratory and Research Private Limited
- Mr. Shivakumar B M , Assistant Manager, Hikal Limited
- Mr. Murali Mohan, Founder Director, Envirowisers Solutions Pvt Ltd
- Mr. D N Nanjundaswamy, Engineering Delivery Manager, SUEZ Water Technologies and Solutions.

Department of Chemical Engineering appreciates the contributions received from all the Alumni members for their valuable contribution during the panel discussion. The department would like to specially thank the panel members for providing a meaningful lead in defining scope for Centre of Water Research established collaboratively by Department of Chemical Engineering, Chemistry, Civil and Biotechnology.

## REPORT ON DEPARTMENTAL LEVEL ALUMNI MEET HELD ON 21-09-2019

Venue: Telecommunication Seminar Hall

### Organized by Department of Telecommunication Engineering and RVCE Alumni Association

As per the instructions & communication from central office and the alumni association of RVCE, Telecommunication department alumni meet was scheduled and held on 21<sup>st</sup> September 2019 Saturday. The invitation and program schedule have been communicated to all the TE Alumni one month before the event through mail, message and social websites such as Facebook, LinkedIn and WhatsApp. WhatsApp group has been updated for existing TE alumni group. Continuous Interactions from the department in terms of invitation, video and details about the department were posted from time to time. A group of UG & PG students are actively involved in inviting alumni of various batches along with event coordinator.

17 alumni are registered through online, 16 alumni were present for the alumni meet

---

Many of the alumni have introduced their name, year of graduation, working place (college/industry) and shared their experiences and remembered their college memories. Some of them have identified and highlighted the strengths, weaknesses of the department with respect to teaching learning process, curriculum design, research and lab facility.

Mr. Ramakrishna, President RVCE Alumni association addressed, remembered and briefly explained the journey of RVCE from 1963 to till date, identified some of the issues of earlier decades (before 1970), highlighted the need of young Alumni in strengthening the alumni network and briefly explained regarding the activities of alumni association. Congratulated all alumni who present on the occasion. Motivated and requested all the alumni to participate in department level and college level alumni meets. Finally thanked Dr. K N Subramanya, Principal RVCE for his involvement, support and encouragement towards the activities of alumni association.

Program was concluded with vote of thanks followed by group photo. Lunch was arranged at cavery hostel and sponsored by RVCE alumni association.

Master of ceremony by Mr. Azar, student of III semester PG Digital communication engineering. M.Tech Students helped for registrations and taken care of all the registration process on the day of event.

Thanks to all the staff members and Technical staff members of the Department of Telecommunication Engineering and RVCE alumni association for support and encouragement.

**DEPARTMENT OF INFORMATION SCIENCE & ENGINEERING**  
**R.V.COLLEGE OF ENGINEERING, BANGALORE – 560059**

**Report of ISE,RVCE Alumni Meet organized on12/10/2019**

Department of Information Science and Engineering organizes Alumni meet every year in the month of october. This year the meet was organized on 12th October 2019. The aim of the meet was to reunite the students working in various places and to recollect the college memories and also to share their work experience. Around 35 students participated in the event to facilitate the program.

Alumni meet started with an invocation song from Prof. Sushmitha N, Assistant Professor, Dept. of ISE

HoD - ISE, Dr. B M Sagar delivered the welcome address by welcoming the chief guest Mr. Ramakrishna (Chief Engineer, PWD), President, Alumni Association-RVCE.

HoD - ISE also welcomed Dr.R K Manjunath, CEO, MI Incubation Center and Dr. G N Srinivasan, Professor for the Alumni meet.

Dr. B M Sagar (HoD-ISE) addressed the alumni by giving a presentation on the department activities and achievements. He discussed the current syllabus with them asking them for further suggestions in improvement. He also appreciated their involvement in constant learning process. HoD also invited alumni to be a part of this learning process by

- Involving themselves as External Guide for UG/PG projects carried out by students in their Final year
- Delivering Guest Lectures
- Providing a helping hand in Research activities at Research Centre and
- Providing innovative methods which can be adopted for learning

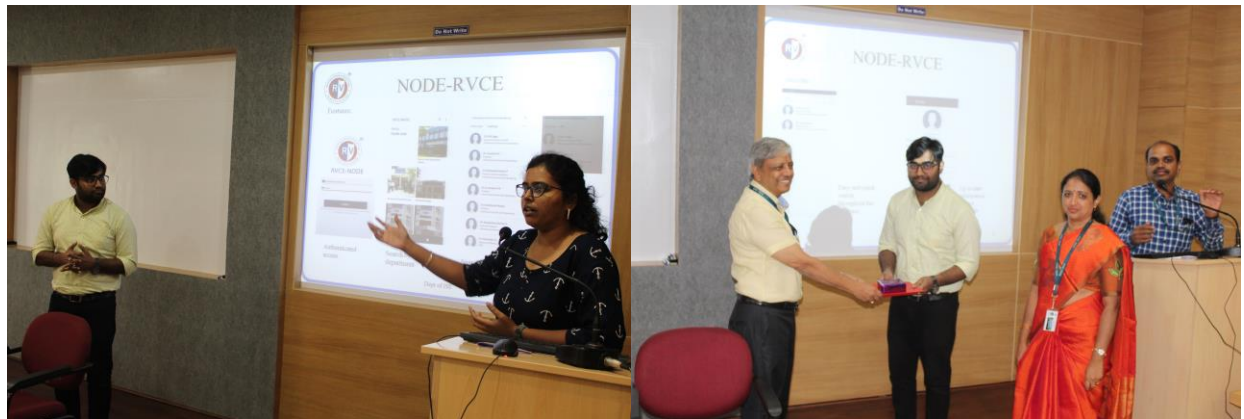

Chief Guest, Mr. Ramakrishna also provided brief insights to history of RVCE and its achievements. He recalled his stay in RVCE as a student and also the transformation of RVCE from his era to now. He was happy that RVCE has reached to these great heights. Faculty and Management of RVCE were thanked by Chief Guest for considering Alumni as a part of learning process. He described the activities of Alumni Association, which started in 1989 is now helping some economically poor students in the college in obtaining the degree and also provides awards to meritorius students. The Chief Guest requested Alumni to involve in college activities and help the students in understanding the current technologies of their interest.

Dr. R K Manjunath, CEO, MI Incubation Centre, advised the alumni not to forget the faculty who taught them and the Institution. He requested them to be in constant interaction with the college and provide able guidance to their juniors.

A mobile application “NODE RVCE” which was developed by alumni Rishab Verma and Krati Srivastava was released by HoD. This project was guided by Prof. Anisha B S. The team was appreciated and congratulated by the audience.

Dr. G N Srinivasan presented a token of appreciation for Rishab Verma and Krati Srivastava.

Some suggestions were given by the Alumni such as conducting mock interviews for PG students, incorporating java scripting in the current syllabus, allocating a dedicated time for competitive coding etc.

Panel Discussion was organized on the topic - "Are IT skills alone sufficient for career progression". Panel members included 5 Alumni working in various organizations. Abhiram Prasad was the moderator for the event.

1. Ritesh Tibrewal
2. Abhiram Prasad
3. Supreeth S
4. Amitesh Ramesh
5. Sridhar Srinivasan

UG students also participated in this event and got valuable inputs from our Alumni.

The panel members emphasized that attitude, listening and speaking skills along with technical skills are very much required for career growth. The relationship among team members, understanding and conveying messages between one another, respect towards one another is very important.

Dr. G S Mamatha, Associate Professor thanked and presented a memento to all the panel members as a token of gratitude.

Dr. B M Sagar, HoD rendered vote of thanks by thanking the event organizers – Prof.Kavitha S N & Team, Faculty, Management-RSST and all participants.

Lastly the alumni were taken to visit the MI Incubation Centre within the college campus to know the facilities present and ongoing activities which helped them to guide others for their career growth.

The programme was compered by Prof.Kavitha S N, Alumni Coordinator, ISE, RVCE.

Lunch was sponsored from RVCE Alumni Association at Cauvery Hostel.

## **Department of Electronics & Communication Engineering**

### **Report on Alumni Meet 2019**

The department of Electronics and communication conducted an alumni meet on 5<sup>th</sup> May 2019. The alumni meet started at 10.30 AM in the morning. Totally 61 alumni (UG and PG) from 1985 batch to 2018 batch were attended the meet. All the teaching and technical staffs of ECE department have attended the alumni meet. The alumni meet is started with welcome address by HoD Dr. K S Geetha, followed an address by Dr. K N Subramanya, Principal, RVCE. Prof. Dr. S. Jagannath, former HoD, ECE also attended the meet and addressed the alumni. Vote of thanks was delivered by Dr. Prakash Biswagar.

Seven of our alumni orally expressed that they can be of help to the department in mentoring student projects, setting up new labs, training on project management and helping in forming a curriculum. The feedback in written form is collected from all the attended alumni. The performance by CAT team of RVCE and performance by ECE staff during alumni meet was highly appreciated by alumni.

The alumni meet has ended at 1.30 PM with the National anthem, followed by lunch.

## **RVCE Department of Electrical and Electronics Engineering Alumni Meet 2019**

As is customary, the Department of Electrical and Electronics Engineering organised the alumni meet on the last Saturday of February – 24/2/2019, in the Civil Seminar Hall. Roughly 24 alumni had registered online to attend the meeting and approximately 35 alumni attended the meet. Even a few MTech Power Electronics alumni were in attendance.

The programme started with Dr. MN Dinesh welcoming the alumni and requesting a moment's silence in honour of the martyrs of the Pulwama tragedy, following which the invocation was sung by Dr. SG Srivani. Prof. Sudarshan delivered the formal welcome address and invited the dignitaries, namely, Dr. KN Subrahmanya, Principal, RVCE; Dr. RudrannaNandihalli, Head of the Department of EEE; Dr. NK Srinath, Dean Student Affairs & Chairman of the Alumni Association; Dr. ShanmukhaNagaraj, Dean Academics and Wing Commander Ashok, Alumnus of the 1974 batch. A lamp was lit by the dignitaries.

Dr. RudrannaNandihalli gave an introduction of the department and the teaching & non-teaching staff. He explained the changes in the department over the last few years and spoke about the future improvements to be carried out in the department. Dr. NK Srinath spoke extensively about the role of the alumni in the college and with examples of the work done by the 1982 batch, gave the attendees an insight into all possible activities that the alumni can support the college with.

The alumni were called on stage to give feedback to the department. Several alumni volunteered.

Mr Harish spoke about having a common web platform for the alumni. Mr. Omkar of MTech 2016 requested the department to increase alumni attendance and urged the alumni to give something back to the college. Mr. Vinod Joshi of the 1988 batch spoke about the importance of networking between alumni and then spoke about the alumni working together with the college to come up with innovative environment friendly technology to help the country and the community. Mr. Mohan of the 1994 batch spoke about the advantages of having a corpus fund set up in the college for developmental activities. Mr. Phalgun of the 2017 batch spoke about in-person/over-the-internet mentorship for the current students' minor and major projects by the alumni and also urged the department to maintain a registry of the alumni qualifications, areas of interest and companies/institutional affiliations. Ms. Chaitra also of the 2017 batch spoke about how the faculty can approach alumni for internship opportunities in their respective companies.

The Principal, Dr. KN Subrahmanya addressed the alumni in an articulate speech encompassing the developmental activities in the college and expressed his desire to see more involvement from the alumni in such activities. He explained the future plans of the college and the possibility of introduction of innovative programmes in IoT, Artificial Intelligence, etc. He also discussed the possibility of formation of a University and requested the alumni to contribute to the same, in cash or kind.

Mr.Vinod Joshi then engaged the audience with a talk on stress busting and gave practical advice on the implementation of a set of techniques to eliminate stress and tension in day-to-day life.

Prof. Madhu BR proposed the vote of thanks to the alumni, the dignitaries and the staff of the department.

The programme ended with lunch served in the new Cauvery mess hall.

### **Alumni Meet Report - 29<sup>th</sup>-June-2019**

---

The Department alumni meet was held in the BT seminar hall on 29<sup>th</sup> June 2019. Number of alumni attended were 40. The program started with an invocation song by Mr. Srinivasa Prabhu of V Semester, EIE Dept and lighting of the lamp by Principal, President, Vice-President, Secretary of RVCE Alumni association, HoD of EIE Dept and few distinguished Alma mater. Dr. CH. Renumadhavi, HoD, E&IE presented the welcome address, gave brief introduction about the Department UG and PG program and highlighted upon the research centre in the department with number of faculties with PhD's and number of faculties Pursuing Ph.D's. She stressed upon the goals and responsibilities of alumni, invited them to contribute to the Department outcome based education system. She thanked all the alumni for being present for the day and wished them a grand success for the future.

**Dr. CH. Renumadhavi, HoD of EIE welcoming the dignitaries and distinguished alumni**

**Lighting the lamp by Principal, President, Vice-President and Secretary of Alumni association**

**Address by RVCE Alumni association**

**Address by Mr. Ramakrishna, President, Alumni association.**

**Address by Mr. Gopala Bangeri, Vice-President, Alumni association.**

The President, Vice-President and Secretary of RVCE Alumni association gave an inspiring talk about Alumni association formation in RVCE, welcomed the alumni and spoke about how the alumni's can contribute to the Department.

**Address by Dr. K N Subramanya, Principal, RVCE.**

Dr. K N Subramanya, Principal, RVCE, welcomed everyone to the meet. He briefed about RVCE, significant achievements of RVCE. He spoke about the role of alumni to their alمامater and the importance of conducting such meets regularly. He finally thanked all the alumni for being a part of the alumni meet.

**Dr. K.N.Subramanya, Principal, RVCE addressing the gathering**

**Address by Mr. Renuka Prasad of 1992 batch at the event**

**Address by Mr.Srikanta of 1992 batch at the event**

**Group photograph taken at the event**

Certificates were distributed to the outgoing students who excelled in academics, sports and project (Best innovation, best research, best societal relevance). The event was followed with lunch session sponsored by RVCE Alumni association. The post lunch session was organized at PG classroom, EIE department wherein very senior alumni of 1992 batch addressed the junior alumni's.

REPORT ON ALUMNI MEET IN THE DEPARTMENT OF CIVIL ENGINEERING RVCE  
BANGALORE ON SATURDAY, 09<sup>TH</sup> FEBRUARY 2019

The Alumni meet for B.E. undergraduate & M. Tech postgraduate pass out batch was conducted in Sir M V Hall of Department of Civil Engineering - RVCE. The Alumni meet started at 10:30 A.M., presided by Dr. N K Srinath, Professor of Computer Science Department and Dean Academics - RVCE, Dr. Radhakrishna, Professor and Head of Civil Engineering Department - RVCE, Dr. Ravindra R, Associate professor of Civil Engineering Department and Associate Dean (PG Studies) - RVCE, Dr. M V Renuka Devi, Professor and Alumni Co-ordinator for Civil Engineering Department - RVCE. Mastering of the ceremony was carried out by Prof. Archana M R, Assistant Professor of Civil Engineering Department – RVCE, by welcoming the dignitaries on and off-stage.

The events proceeded to the Lamp lighting ceremony by the dignitaries in line with recitation of shloka (hymns). The gathering was addressed by Head of the Department by welcoming the dignitaries on and off-stage.

The highlights of academic achievement of students were briefed by Dr Radhakrishna through a presentation. The brief of highlighted information of the endeavors achieved by college include - PG NBA accreditation; establishment of MOU with various governing agencies; publication by faculty of civil engineering department; conduction of social initiatives; consultancy works amounting to 48 lakh rupees; conduction of training for PWD engineers; award of Doctorates; highlights of ASCE student chapter, software available, infrastructure facilities, etc. Finally it was requested for the Alumni to effect as active contributors towards the employment perspective of the outgoing students in the form of placements, internships, scholarships and invited lectures.

The event further proceeded with addressing of the gathering by Dr. N K Srinath Professor of Computer Science Department and Dean Academics of RVCE. He provided a brief purview on the co-operation of Alumni in benefitting the students and requested alma mater to be active through the social platforms for the dissemination of information related to alumni meets in order to enhance the participants. He briefed on the Center of Excellence and highlighted on the programs conducted by college.

The stage was taken over by Dr. Ravindra R, Associate professor of Civil Engineering Department and Associate Dean (PG Studies) – RVCE, who in-turn introduced the alumni participants formally and the coincidental highlight was that a faculty of RVCE Civil Engineering Department – Prof. Ravi Kiran S Wali happened to have his birthday on the same day.

The highlights of ASCE - Student Chapter activities were briefed to the gathering by Sri. Shubangi Pati – Student Member ASCE, RVCE through a presentation comprising of all the activities conducted under the ASCE – Student Chapter, RVCE till date. Finally a request was placed before the alumni to support the student chapters through invaluable technical inputs and extend financial aids in inculcating such techno-culture at RVCE.

Followed by impromptu events for the alma mater present, Shazam - Guess the Song & Sing, Musical Chair., Mr. Bhaskar graced the occasion by his devotional vocal hymns.

Further the felicitation of the alumni's was carried out through souvenirs exclusively prepared for the event as a token of gratitude by dignitaries.

The alumni were requested to share their experiences with RVCE. Thereon Mr. Bala Subramanya acknowledged to be an active member of alumni association upon invitation from Dr. M V Renukadevi, Professor & Alumni Coordinator, Civil Engineering Department – RVCE. Mr. Vinay

Jugati, in turn as a part of thanksgiving to the college ensured to digitize the alumni process flows through social platforms rendered through his startup.

With delivering the vote of thanks by Dr. M V Renukadevi, the event was concluded, followed by lunch session for alumni and attendees

REPORT ON ALUMNI MEET IN THE DEPARTMENT OF CIVIL ENGINEERING RVCE  
BANGALORE ON FRIDAY, 04<sup>TH</sup> JANUARY 2019

The Alumni meet for 1998 B.E. undergraduate pass out batch was organized in Sir M V Hall of Department of Civil Engineering. The Alumni meet started at 11.30 A.M., presided by Dr. B Anand, Principal (in-charge) of RVCE, accompanied by Dr. N K Srinath, Professor of Computer Science Department and Dean Academics, Dr Radhakrishna, Professor and Head of Civil Engineering Department, Dr. M V Renuka Devi, Professor and Co-ordinator for Civil Engineering Department. Mastering of the ceremony was carried out by Sri Jayant Chenji, Middle Management with P&C of DIAL, GMR Group, New Delhi by welcoming the dignitaries on and off-stage. A detailed stepwise planning / hurdles faced for the reunion was shared briefly by Sri Jayant Chengi and recalled the experience of alumni meet of Mrs. Sudha Murthy (Infosys), B.V.B, Hubli. He also emphasized on the physical significance of blessing and wishes of elders.

The events proceeded to the Lamp lighting ceremony by the dignitaries in line with recitation of shloka (hymns) by Sri Venkata Subramanian P, Co-founder and COO of VYOMA Linguistics Labs Foundation, who exhaustively explained the inner meaning and parallel contemporary meaning of commonly recited hymns in reference to the importance of guru in life of student.

The highlights of academic achievement of students were briefed by Dr Radhakrishna through a presentation. The brief of highlighted information of the endeavors achieved by college include - PG NBA accreditation; establishment of MOU with various governing agencies; publication by faculty of civil engineering department; conduction of social initiatives; consultancy works amounting to 48 lakh rupees; conduction of training for PWD engineers; award of Doctorates; highlights of ASCE student chapter, software available, infrastructure facilities, etc. Finally it was requested for the Alumni to effect as active contributors towards the employment perspective of the outgoing students in the form of placements, internships, scholarships and invited lectures.

The event further proceeded with addressing of the gathering by Dr. B Anand, Principal (in-charge) of RVCE. He provided a brief purview on the co-operation of Alumni in benefitting the students and expressed gratitude towards Sri Venkata Subramanian P for cultural reflection through his vocation traits. He briefed on the Center of Excellence and highlighted on the programmes conducted by college.

The Alumni meet comprised of alumni from 1998 batch, former faculty, technical and non-technical members of the institute assembled at the venue. The occasion also witnessed the presence of Prof. P V Srinath; Prof. B L Shivakumar; Sri Ramakrishna, Alumni President, Prof. Nadigar, Prof. K P Narasimhamurthy, Prof. A Shashishankar, Prof. B. V. Nagesh, Prof. B. P. Shridhar Murthy, Students of under-graduation and post-graduation, RVCE.

Sri Jayanth Chengi took over the stage and invited the attending alumni to share their experiences with RVCE. This event saw an active presence of many enthusiastic alumni with assurances of financial aids, internship, placements in respective working organization. This assurance was further strengthened by Dr. N K Srinath who highlighted the utilization of ICT tool Skype for any mode of knowledge transfers as such through state of art facility provided by CISCO-RVCE.

Further the felicitation through token of gratitude was carried by Nilanjan Basu, Managing partner, BCE Design Services LLP, Kolkata for Sri Ramakrishna A and Sri Natesh.. Prof B. V. Nagesh addressed and appraised the student achievements and provided insight of the educational excursions. Sri S V Babu, Foreman, RVCE shared his fond memories and thanked the gathering. Prof. B. P. Shridhar Murthy, RV Architecture, provided information of the Alumni meet – 2005 and also

addressed on SARTHAKA Trust established in 2006 and also shared the important aspect of providing the financial aid to the students. He concluded with the invitation extended to Alumni for the Sarthaka trust event to be scheduled during the second week of September. Prof. Nadiger expressed his wholesome experience in relation to RVCE and his unique opinion on the “National Integration of candidates through the Survey camps” as the students attending possess varied geographic backgrounds. Sri Arvinder Singh Riar, Nexgen Engineers, spoke on the importance of the need of a mentor and skill set for the next upcoming students.

The next significant event was the interaction of the Alumni with the attending students. Sri Nilanjan Basu, spoke on the importance of Basics and Software learning for students. Sri Prashanth Kapila, COO, Intercontinental Consultants & Technocrats Pvt Ltd, New Delhi highlighted the complexity in design of metro, ports and airports with the need of work while study for the students to enhance the employability. Sri Deepak Jinka, Costumer Success Manager, VIEW urged the students to refer Engineer News Record as well as Engineers without borders for utilizing the job opportunities. Sri Arvinder Singh Riar, explained the importance of learning both design and drafting for engineers.

The Last stage of the event, Felicitation of Emeritus Professors by the students followed by the Group Photo session of alumni and attendees

**RV College of Engineering<sup>®</sup>, Bengaluru – 59**  
(Autonomous Institution affiliated to VTU, Belagavi)  
**Department of Industrial Engineering and Management**

**IEM Alumni Meet 2019- Report**

The department of Industrial Engineering and Management of RV College of Engineering had organized the Alumni Meet on 25.05.19 (Saturday) at Biotech quadrangle. The alumni meet is conducted every year in order to reconnect with the Alumni and celebrate their various achievements. The Alumni started arriving in college by 10.00 a.m. and they were received by the registration team. The meet was attended by 15 alumni ranging across various batches.

The concept of alumni association evolved for needs from both the ends, i.e. academicians and professionals, in the aim of building a bridge between college life and career life, so that the fresher graduates are made proactive to face the current challenges of competitive professional world. Both the ends shall work hand in hand to help each other for achieving the goal.

Dr. C.K. Nagendra Gupta, Head of the Department, welcomed the gathering and thanked all the alumni for responding to the invitation from college and being present for the alumni meet in spite of their busy schedule. He then proceeded with presenting the college report highlighting the various milestones reached in the past year.

The welcome speech was followed by Mr. S. Ramakrishna, The president of the Alumni association of RVCE. The entire faculty was present for the occasion along with several enthusiastic ex- students.

Mr. Ramakrishna emphasized on the following points to the gathered audience.

- Conducting training sessions on industry practices and professional approach by industry professionals.
- Conducting personality development trainings, interview answering skills and confidence building programs.
- Interacting with unemployed ex- students to find probability of employment with reference of professionals.
- Re-unions of ex- students.

After the inaugural session, alumni's shared their nostalgic thoughts. Alumni coordinator distributed the Alumni feedback forms which included feedback on curriculum and on the infrastructural facilities provided by the institute and collected their opinions through filled Alumni feedback form.

Vision & Mission of the department and importance of the PEO's & PO's were explained to the Alumni. All the Faculty members were involved in a discussion of the various academic Programs and activities with the alumni. The program came to an end by 1.30 PM.

### **Take away points from the thoughts shared by alumnus**

1. Though IEM as a course appeals to a broad horizon, it sometimes can be confusing for an entry level graduate which needs to be looked in to.
2. In today's day and age, rather than investing on CNC and other mechanical infrastructure, concentration should be streamlined towards Programming side.
3. Several Alumni shared how they feel abreast with skills in dealing with challenges of corporate in comparison with their subordinates.
4. Several alumni obliged the department's request to come back to college and address students on courses with industry orientation.

### **New initiative**

For the first time, the alumni meet was conducted in biotech quadrangle as opposed to usual IEM seminar hall keeping in mind the requirement of an open space required for networking among faculty and alumni of the program.

A simple quiz was conducted about the department and whoever answers gets a chocolate and then they have to introduce themselves. This quiz was done to make each and every alumnus get to know each other. This idea was from Mrs Archana, who was also the master of Ceremony.

### **College Awareness Program – Pamphlet Distribution**

In order to enroll more number of students at RVCE for the upcoming events; Dept of IEM took the initiative of Pamphlet Distribution which increases the probability of spreading information to the needy. The upcoming events in the college are as follows,

1. FDP on “Ergonomics” to be conducted in June 2019
2. Boot camp on “Design Thinking” to be conducted in July 2019
3. FHWS admission slated for September
4. ADAMS Mercedes program admission slated for September 2019

5. Training and consultancy program plan of Dept of IEM
6. Brochure of IEM-RVCE.

**Key inputs for conducting next alumni meet:** (Qualitative feedback from alumni)

1. Current batch of students should be available as they are the main stakeholders
2. If the degree certificate from the university is distributed on the day of alumni meet, then definitely the recent batch which has passed out will be there to receive the degree certificate.
3. The alumni meet should be conducted on such a day which is convenient for first year students to attend.
4. If possible, conduct it outside the campus once in four years for a change.
5. Connect with few eminent alumni through online on the day of alumni meet.
6. Go live on social media handles like face book or Instagram on the day of Alumni meet to increase the eyeball count who witnessed the event.

Prof. Narahari N.S, proposed the vote of thanks. He thanked the Alumni for taking the time to come for the Alumni Meet who have made it a very special and memorable one. He thanked the various organizers of the event (teaching, non-teaching staff) whose hard work and dedication made the event possible. He also thanked the management of RVCE for the support and guidance which has made Alumni Meet 2019 a grand success.

The event ended with a group photo in front of biotech quadrangle.

Lunch was sponsored by RVCE Alumni association at Cauvery hostel mess for the entire faculty and the alumnus.

Report by  
Prof. Bhaskar M.G  
Assistant professor  
Dept of IEM,RVCE

The annual MCA alumni meet was held on **29<sup>th</sup> June 2019**. The registration of the meet started at 09.00 am. Total of 29 Alumni registered and participated in the meet. Alumni from different batches from 2000 to 2016 registered. Initially, the current final year students interacted and got inputs for their placement preparations. Alumni share their experiences and gave inputs how to prepare for the placement, how to face the interview, how to tackle the problem and other things.

Dr.K.N.Subramanya, principal, RVCE, Mr. Ramakrishna, President, RVCE Alumni Association, Mr.Gopal Bengeri, Vice President, RVCE Alumni Association, Dr.N.K.Srinath, Secretary, RVCE Alumni Association graced the occasion. The function started with welcome address by Dr.Andhe Dharani, Director Department of MCA. Mr. Ramakrishna briefed about how RVCE Alumni Association was formed. The principal briefed about all the different activities and establishment of different MoU in the college. Principal also told about the different centre of excellence and innovative labs which has been established in the college. He also announced that bill is passed by the government for establishment of RV University.

Later on, Mr.Gopal Bengeri gave insights about how a person should think out of box and how the design thinking is playing a very major role in human lives. Dr.N.K.Srinath told about the different events and achievements about the Alumni association. He also told about the different scholarship schemes which will be provided to students of RVCE from the Alumni Association. The function ended with vote of thanks from Vijayalakshmi.M.N.

After the function, different games and networking was done between the alumni and staff. The lunch for the event was sponsored by Alumni Association.

### List of Alumni who visited in 2019

Alumni provide valuable technical inputs online and offline to improve the quality of the MCA programme. Their suggestions are incorporated to improve the teaching learning methodologies, to meet overall expectations of the industry. They facilitate and conduct proficiency workshops, training, seminars and expert lectures to enrich the course delivery and provide necessary hands to supplement the regular academic courses. They also extend their support by providing suggesting and improvements on students' Major/Mini projects.

Fifty-one Alumni starting from 1966 pass out batch to 2017 pass out batch participated in the meet. The details of the participants are enclosed herewith.

The participants visited the project exhibition of 8<sup>th</sup> Semester students (UG), interacted with them, provided very valuable suggestions and also offered technical / financial support for innovative projects.

After high tea the participants assembled in the ME Dept. Seminar Hall for interactions. Prof. M R Srinivas welcomed the participants. Dr. M Krishna, HoD ME Dept., presented the profile of Mechanical Engineering Department. Dr. N K Srinath, Secretary of Alumni Association presented the activities of Alumni Association. Dr. Shanmukha Nagraj stressed the role of Alumni in strengthening the higher education.

The participants were invited to present their memories during their stay in the college, their present professional status and possible partnership activities. Some of the participants

offered their support in terms of guest lectures, internships, industry visits, guiding student projects and exchange programmes.

The programme ended with vote of thanks by Dr. B Anand, followed by lunch.

## Congratulations !!

Ms. Krutika Devaiah was recommended for flying branch in Indian Airforce. She is IEM department 2020 alumna. She is also an RDC and YEP cadet of 2018 batch.

## 2020 Annual general body meeting

Annual General body meeting held on Monday 21st Dec 2020 at Telecommunication Department Auditorium, RVCE Campus. It was attended by only a few alumni due to the pandemic situation.

Alumni Association of RVCE supporting needy students by providing scholarship on Merit cum Means basis. We request Alumni members to donate liberally for this noble cause.

**REMEMBER**

**Annual Alumni Get-together in RVCE Campus on 15th August**

The **Alumni Association** supports “**Teacher’s Day**” function organized annually by ISTE—RVCE Chapter at RVCE.

Published by: Alumni Association of RVCE, Bangalore; Visit : [www.rvcealumni.org](http://www.rvcealumni.org)

In spite of the Covid-19 Pandemic, a few activities were conducted by Alumni Association of RVCE. The table below provides a brief information. The schedule of conducting meetings this year was modified due to the pandemic. Individual departments were given free hand to conduct the departmental alumni meet.

The executive committee members appreciate the efforts of the department coordinators and Heads of the departments for successfully conducting alumni meetings. We would also like to thank Mr. Somesh scientific officer CIS-CO-RVCE IoT centre who has played an important role to arrange online alumni meetings.

Sl no.	Alumnin Meeting/Activity organised	Date	Participants
1	Civil Engineering	8 February 2020	33

## Cricket for RVCE Alumni

Dr. Vishwanatha C N, DPE of RV College of Engineering was kind enough to take initiative to conduct a Cricket tournament for RVCE Alumni Members. This event was well supported by Dr. K N Subramanya, Principal and RSST. RVCE Alumni association thanks all the people who have made this event a great success. We intend to organize more such events with the support of institution and alumni. We invite alumni to participate in such events

The poster for the RVCE Alumni Cricket Tournament 2021 features the RV College of Engineering logo and text: "RV College of Engineering® Go, Change the world", "Autonomous Institution", "Affiliated to Visvesvaraya Technological University, Belagavi", "DEPARTMENT OF PHYSICAL EDUCATION & SPORTS", "RV Vidyaniketan Post, Mysuru Road, Bengaluru - 560059, Karnataka, India". It also includes "In association with Alumni association of RVCE", "Date: 23rd & 24th January 2021", and "Venue: RVCE Cricket Ground". A central collage of photos shows various scenes from the tournament, with the slogan "Welcome you all for Alumni Cricket Tournament-2021" written vertically on the right.

# Your contribution for news letter

Your contribution for the news letter is most important. Please share your experiences at RVCE during your student days. Also share your achievements in your profession. Please pass on the message to other alumni members.

# College Achievements

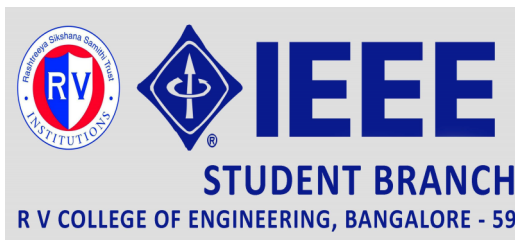

## STUDENTS ACIEVEMENT

Department of Electrical and Electronics Engineering department 8th semester student Ms.Nivedita Madhava has achieved third position by participating in international space apps challenge.

Kum. Shreya P Naidu (BioTechnology), Kum. Nirmala J P (Electronics and Communications) and Kum. Dhanyatha N (Industrial Engineering & Management) are representing Karnataka in Cestoball Senior national championship to be held at Punjab from 26th to 30th Mar 2021. Alumni Association members wish them all success.

A special webinar talk was arranged on "My Odyssey" by Nigar Shaji Project Director, Adithya-L1 U.R Rao Satellite Centre-ISRO IEEE-Women in Engineering, Student Chapter in Association with Department of Electronics and Communication Engineering, on the occasion of International Women's Day Week

Gana Chandana is a reality tv show aired on DD Chandana. It is a singing reality show finding talented singers. In its initial round of auditions, the channel selected 490 singers. Mr. Karthik N K , VI semester, MCA student was awarded with Runner up award in Gana Chandana Reality show finale.

## Faculties Achievements

### Congratulations

**Dr. Vidya Nirajan**, Bio-Technology Head of the department for getting an offer from Institutional Biosafety to monitor and review Biosafety issues arising out of trials of transgenic hybrids among the farmers. This offer is provided by the authorities of Andhra Pradesh State Sericulture Research and Development Institute (APSSRDI)

**Paper Publication:** Structural and molecular basis of the interaction mechanism of selected drugs towards multiple targets of SARS-CoV-2 by molecular docking and dynamic simulation studies- deciphering the scope of repurposed drugs –in Science direct, Authors: Sinosh Skariyachan DharshiniGopal ShwetaChakrabarti PriyaKempanna<sup>c</sup> AkshayUttarkar Aditi G.Muddebihalkar and VidyaNiranjan

**Manjunath Reddy**, Bio-Technology department RVCE has been appointed as Member to Computational Molecular Bioscience Journal, USA.

## KNOW YOUR ALUMNI

### Dr. Suryaprasad J

**Vice-Chancellor of  
PES University**

**Dr. Suryaprasad J**, graduated from RV College of Engineering from Computer Science & Engineering department in the year 1988-89. He started his career as a faculty in D S Institutions, Bangalore. He joined PESIT in the year 1993-94 after completing his M.Tech in Computer Engineering from SJCE, Mysore. In 1998-99 Suryaprasad J went to Florida Atlantic University (FAU), Florida, USA, to pursue his doctorate in Computer Engineering.

During the course of his doctoral studies, he offered many under-graduate courses as teaching assistant at the University. His summer internship at Cadence System Design, San Jose was converted into a fulltime offer as Senior Member Technical Staff, where he served for close to two years. Immediately upon his award of doctoral degree in 2003, he started working for Motorola at Sunrise Plantation, Ft. Lauderdale, Florida as Technical Team Lead.

He relocated to India in 2005-06 to head PES School of Engineering later renamed as PESIT-Bangalore South Campus as the first Director & Principal of the institution. He is currently serving as the Vice-Chancellor of PES University and took charge as Vice-Chancellor of the University on January 2020.

## OFFICE BEARERS

**S Ramakrishna**  
(President)

**Gopal S Bengeri**  
(Vice President)

(EC Member)

**Dr.Vinay Hegde**  
(EC Member)

**K L Suresh**  
(EC Member)

**Adrian Joseph D'Souza**, completed his Graduation from Electrical engineering department, R.V. College of Engineering, Bangalore in the year 1982. Thereafter ,he Graduated as Bachelor of Business Administration from St. Josephs College of Business Administration in the year1986.

Adrian cofounded the Deccan Group even before his final year results were announced. He co-founded the Deccan Group of Companies with Mr. J. C. D'Souza and Mr. Clarence Stanislaus Pereira.

Deccan Group today is a conglomerate of companies dedicated to delivering highly-specialised, world class services across industries. Their operations range from building apartments, offices & warehouse rentals, manufacture of uPVC doors & windows, mfg Power Transformers upto 31.5MVA, and mfg & Export of crafted leather apparel for big international brands. He is also deeply involved in non profit Community & Entrepreneurship causes, being on the board of Kanara Entrepreneurs ,Konkan Catholic Association & Konkan Welfare Trust .He is a trustee of Vidya Protsahan Trust, a non profit education trust for upliftment of poor students.

### Adrian Joseph D'Souza

**Cofounder of Deccan Group**

# Alumni Association Contributors

## Electrical and Electronics Department

Electrical and Electronics Engineering 1982 batch distributes Rs. 44,000/- for the first three ranks holder of UG as well as PG students.

Dr Vasudev of the same batch has personally contributed Rs.6000/- for toppers of PG and UG in the name of his late mother Sunderamma

## SAARTHAKA TRUST

Saarthaka Trust is registered Civil Engineering department trust that identifies meritorious students among various disciplines of engineering every year. In the year 2020, 58 students were benefitted and an amount of Rs. 2,90,000/- was disbursed.

No	Branch	Number	Amount in Rs.
1	Department of Civil Engineering	26	26x Rs 5000 = 1,30,000/-
2	Other Departments	23	23x Rs 5000 = 1,15,000/-
3	Outside students	9	9 x Rs. 5000 = 45,000/-
Grand Total Rs. :			2,90,000/-

## Chemical Engineering Department

1995 batch collected Rs, 125000/- to support a poor student.

## Electronics and Instrumentation Department

1995 Alumni - celebrated their Silver Jubilee in the EIE department. During the celebration they honoured and distributed scholarships to 8 students of III and V Semesters of Rs.360000/- .To the Department TV Screen 3.Professors and technical staff Silver articles

## Alumni Association of RVCE

An amount of Rs. 200000/- is set aside every year for the poor students fee.

## Ways to Manage Failure

- "Failures are finger posts on the road to achievement." **C. S. Lewis**
- "I can accept failure, everyone fails at something. But I can't accept not trying." **Jordan**
- "Ever tried. Ever failed. No matter. Try Again. Fail again. Fail better." **Samuel Beckett**
- Failure is another stepping-stone to greatness." **Oprah Winfrey**
- "No man ever achieved worth-while success who did not, at one time or other, find himself with at least one foot hanging well over the brink of failure." **Napoleon Hill**
- "The only real failure in life is not to be true to the best one knows." -**Buddha**

# OBITUARY

## Faculty and Students due to Covid

**M R Srinivas**

**Mr. M.R. Srinivas** was in teaching profession for the last 24 yrs. He joined as lecturer in the department of Mechanical Engineering. On 21.09.1989. He was promoted to senior lecturer during 1998.

During his tenure he did accepted various responsibilities like NBA coordinator, faculty advisor, and mentor for Student's ASHWA team, Chief Timetable Officer, and so on and successfully performed the duties.

The college has lost a very good teacher and a good friend. He left us on 15th April, 2021.

**Ms Geetha Rani**

The outbreak of COVID-19 has affected the lives of all sections of society. It has a very bad effect on our faculty and alumni too. **Ms. Geeta Raani** of Electronics department is the faculty of RV College of Engineering which has claimed her life.

**Prof C Panduranga Gupta**

**Prof. C. R. Panduranga Gupta** was a Lecturer in the Department of Mechanical Engineering, RVCE, Bangalore from 1969 - 2001. He had expertise in Heat Transfer, Heat Engines, Machine Drawing, Engineering Drawing, Refrigeration & Air Conditioning

**Mr. Kishore**

**Mr Kishore** is 2020 Electronics and Communication Engineering department. On 21st, April 2021 morning he had his last breath.

**Mr. Eraju C**

**Mr. E Raju** joined RV College after completing ITI. He was working as assistant instructor in the department of Mechanical Engineering. He left us on 22nd December 2020.

**Mr. T Ramanna**

**Mr. T Ramanna** was working in the department of Mechanical Engineering as a helper. He had learnt how to charm snakes. He had given his phone number to every and never hesitated to visit the place where there was snake and catch them. He left us after a brief illness.

**Mrs. Shilpa A**

**Mrs. Shilpa A** is 2008 pass out ISE alumna. She was 35 years having a five year old

**Please take this disease seriously and do your bit of not spreading it. Avoid non essential gathering, meetups, religious gathering, political gathering etc.**

**BE SAFE AND HAVE A HEALTHY LIFE**

## Know your Alumni

### Mr. Preetam Shetty

Mr. Preetam Shetty graduated from RV College of Engineering, Information Science Engineering branch (2005 - 2009 batch) with a bachelors degree in engineering. He worked at Oracle, India from 2009 to 2013 and then went on to Cornell University, Ithaca to pursue his Masters in Computer Science. He graduated in 2014 and joined the Oracle database team in Redwood Shores, California. He was a part of the original team responsible for the creation of a fully managed NoSQL database cloud service deployed on Oracle Cloud. The end product was a Serverless, Instantly Scaling, Auto Repairing and a Highly Available database. He is currently the Co-founder and Chief Technology Officer of Stayflexi, Inc. (<https://business.stayflexi.com/>).

Stayflexi is a modern Operating System for Hotels and Vacation rentals. It is advised by the Federal & California State government’s Funded Program - Tech Futures group. Stayflexi is also a part of the Y-Combinator Winter 2021 start-up accelerator program.

### Dr. Srinivas Kankanahalli

Dr. Srinivas Kankanahalli holds a bachelors degree in Electrical Engineering from RV College of Engineering, Bangalore University and also a graduate degree in Electrical Engineering from Indian Institute of Technology (IIT) Kanpur and a PhD in Computer Science from New Mexico State University.

In his role as the Chief Technology Officer (CTO), Dr. Srinivas Kankanahalli is responsible for clearAvenue’s technology strategy and overall solution architectures. With over 20 years of industry experience, Srimi is a technology evangelist, thought leader, and an acclaimed contributor to Service Oriented Architectures (SOA), computer security, Information Assurance and business systems applications.

Srimi was a tenured Associate Professor of Computer Science and Electrical Engineering at West Virginia University. Looking for new challenges, he took up the position as a lead architect with the IBM Object Technology Group. After a successful stint at IBM, he moved to Hewlett Packard (HP) as a lead.

Srimi is a serial entrepreneur and has been a founder of multiple companies. He was a co-founder of CyberMarche, a systems integration company. He was one of the co-founders of Careflow|Net (acquired by Philips Medquist) which implemented state-of-the art patient information systems. He was also the co-founder of a startup called Glonex in Silicon Valley for Business-to-Business transactions in the automotive industry. He has also been an architect for the e-solutions division at Cupertino, CA. He also has held adjunct faculty positions at University of Maryland, and American University (Kogod School of Business).

Protect yourself from  
COVID-19

COVID-19 is spreading in your community, stay safe by taking some simple precautions, such as **physical distancing, wearing a mask, keeping rooms well ventilated, avoiding crowds, cleaning your hands, and coughing into a bent elbow or tissue.** Check local advice where you live and work. **Do it all!**

## Centre of Excellence at RV College of Engineering

There are six Centre of Excellences at RV College of Engineering. They are

- Center of Excellence on Large Area and Flexible Micro Electronics
- Center of Excellence for Internet of Things
- Center of Excellence in Smart Antenna Systems and Measurement
- Center of Excellence in e-mobility
- Center of Excellence in computational genomics
- Center for CCTV Research

These six centre of excellences are very active and there are number of projects are being undertaken. There are number of patents that are filed by the organization through these CoEs. RST and Principal have opened the facilities to the Alumni.

Please visit the college website for more details. The URL is:

<https://rvce.edu.in/rvce-center-excellence>

## SUO Madan

The NCC team of RV College of Engineering, under the guidance of Dr. Mahendra Kumar S, Professor, Department of Mechanical engineering is very active. Mr. SUO Madan, an 8th semester student from civil engineering had been selected to join the Indian army at SSB Allahabad IMA 151 CDS entry. He is an RDC -2019 and YEP Russia 2019 cadet. He is also completing his final year project in Flipkart, under the guidance of Dr. Subramanya, principal of RVCE.

## Dr. Tribikram Gupta

Dr. Tribikram Gupta joined the institution on the 26th of September 2012 in the department of Physics. He is very dynamic and hard working. He has publications in 11 international journals and 2 internal conferences. One more feather in his cap is a patent. He has 23 years of research experience and 7 years teaching. His area of interest is Condensed Matter Theory. College and alumni are proud of his achievement.

OMS Docket No.	OMS.0061.000315
Patent Number	<b>366041</b>
Application Number	201641025548
Filing date	26/07/2016
Date of grant	04/05/2021
Title	GEOMETRY INDUCED ENHANCED GAS SEPARATION USING NANOPOROUS GRAPHENE
Applicant (s)	R.V. College of Engineering
Inventor(s)	<b>Dr. Tribikram Gupta</b>

## Obituary

**Dr. A. Sreedevi**, Associate Professor, department of Electrical and Electronics Engineering passed away on 4th May 2021 due to Covid. She had completed her masters from PUNE University and her Phd From VTU.

Sridevi Madam was excellent teacher and a project guide. She actively participated in consultancy projects and also in IoT activities of Cisco. She was a wonderful planner. She also had a very good taste for shopping. She was ever-smiling and was very humorous. She never stepped back when she had to help her students and colleagues.

50 undergraduate and 25 post graduate students were guided by her and she has published large number of papers in national and international journals; and also in conferences.

**Dr. Manjunath**, A. E, assistance professor, Department of computer science and Engineering passed away on 4th May 2021 due to Covid. He had a masters degree and also a PhD to his name. His areas of interest were Biomedical Signal processing, Mobile Application Development, Image Processing, Native Programming and Python.

His students liked him very much. He had won the young Scientist award, facilitated by VGST, GoK, for the year 2015. In the same year he also won the Abdul Kalam Award for lifetime achievement in teaching and Research. He had two patents to his credit which are (1) Dynamic and static hand gesture recognition system for human computer interaction (2) The Recursive Requirement Engineering Process Model. He had consultancy projects and also funded projects to his credit.

## Know your Alumni

### Ms. Preeth Ganapathy

Preeth Ganapathy graduated in Computer Science and Engineering from RV College of Engineering in 2008. She secured the first rank in Computer Science and Engineering and obtained two gold medals from Visvesvariah Technological University (VTU). She was also selected as an Infineon India Scholar.

She worked at Oracle Solution Services India Pvt Ltd, Bengaluru as Associate Consultant for one year. Thereafter, she began preparing to appear for the Civil Services Examination conducted by the

Union Public Service Commission. She was selected to the Indian Police Service (IPS) in her first attempt. During her training at the Sardar Vallabh Bhai Patel National Police Academy, Hyderabad she was awarded for the Best Turnout and was also selected as the Best Officer Trainee in Yoga.

Thereafter, she successfully wrote the exam again and chose to join the Indian Revenue Service- Income Tax (IRS-IT). After completing her training at National Academy of Direct Taxes, Nagpur she was posted to Bengaluru as Assistant Commissioner (AC) of Income Tax (TDS). After that, she was posted to Corporate Circle. She was promoted as Deputy Commissioner (DC) of Income Tax in 2018. She currently works as DC in Central Circle, Bengaluru, where she has address sensitive cases.

## Sri Peruvemba

CEO, Marketer International Inc.

Sriram (Sri) Peruvemba is an alumnus of the E&IE department of RVCE having graduated in 1987. His first job was at Aplab Ltd; during which he continued his education at IISc and IGNOU before leaving for the U.S. to pursue a master's degree. Currently, Sri Peruvemba is CEO of Marketer International Inc., in California. Peruvemba was previously Chief Marketing Officer for E Ink Holdings, where he played a major role in transforming the M.I.T spinoff startup to a \$1b+ global company. With over 30 years of experience in the technology industry, Peruvemba has been an influential advocate in the advancement of electronic hardware technologies. He is an acknowledged expert on sensors, electronic displays, haptics, touch screens, electronic materials and related technologies; and consults, writes, and presents on those subjects globally. Peruvemba has also held executive level positions at Sharp Corp, Cambrios, Novasentis, TFS Inc.,

high tech firms in the U.S., Canada, and Europe in the role of CMO as well as serves on the boards of Omniply, Summit Wireless, Noctiluca and Visionect.

In March last year, Peruvemba gave a talk at RVCE and answered questions from students on topics ranging from technology to career opportunities to diversity. He volunteers his time with industry bodies such as the Society for Information Display (SID); mentors 35 people globally and guest lectures at various universities. Peruvemba is also a right arm off-spinner for a cricket team he co-founded in Silicon Valley.

## Mr. Rohith Saraswathi

It is a great privilege and an honour to bring in this newsletter a very special person – a student, a teacher, a traveller, an avid reader, a mountaineer, a career counsellor and a motivational speaker Mr. Rohit Saraswathi. He has climbed Mt Everest, the tallest peak in the world not once but twice.

He had to slog during his childhood days. He worked as a newspaper delivery boy for 8 years and alongside he used to buy flowers for 10 rupees, tie them into garlands and sell it for 30/- rupees. To overcome his financial difficulties since a youthful age of 11 years, he did numerous odd jobs, ranging from working as a Cleaner in a textile factory for 20Rupees a month to an Associate Executive in an International call centre for Rs.21,000/- per month.

One of the exceptionally fascinating facts about him is that he loves teaching. He started teaching students of 11 & 12th standards

difficult subjects like physics and mathematics from the year 2006 onwards and continues to do at the time of writing this article. He started teaching on the roadside footpath of National College, Jayanagar to random students who found difficulty in trigonometry. Over a period of 13 years he has taught 3000+ students.

Rohit's hunger of becoming an Engineer didn't get buried in spite of his poverty. After clearing 12th class in RV PU College, he got into R V College of Engineering, in 2008. At RVCE he bagged the world's most prestigious scholarship award, a whopping amount of 6 lakhs Rupees from ABB which covered the complete expense of engineering college fees and stood out to be one amongst the first three Indian students. Two years later, in 2010, ABB a leading Electrical and Automation company in the world organized an "International Young Engineers" meet held in Zurich, Switzerland in which Rohith and team represented his college and INDIA on an international platform. There he presented a unique idea of "Generation of Electricity using Renewable Resources". He won this prestigious competition that had 150 participants from 30 different countries.

When Rohit was in the penultimate year of engineering, he landed 3 job offers from MNCs such as Cognizant, ABB and Nestle. He joined Nestle, which is the world's no 1 FMCG Company in July 2012 and worked with them for half an year at Haryana, eventually he joined ABB as a Process Development Specialist and worked there for 4 years

With an intention to push the young people of our country to set big goals and go after it, he initiated a project called CYD, which stands for “Chase Your Dreams”. As a part of the project, he has inspired 50000+ students over a period of 3 years by visiting 150 different educational institutions across INDIA. Very recently the same work was identified and appreciated by YOGA UNIVERSITY OF THE AMERICAS felicitated the prestigious national level “Bharatiya samskruthi Bhushana” award. He holds up a vision to give birth to more number of dream chasers here in India.

In spite of all his enthusiasm to work for various interest, he did not stop his quest for higher studies, He joined masters program in Engineering Management from RV College of Engineering, IEM department in the year 2017 and completed successfully in 2019.

He took up the challenge of “365 DAYS 365 STORIES” and successfully completed it by sharing inspiring stories as ingredients to cook up the biggest dream of one’s life. The same work has been recognized by TV5 News Channel and conducted an interview on 12 May 2021 telecasting as “NAMMA BAHUBALI” for one hour which stands to be one of remarkable achievements of his life. Working in the corporate world for five years, he quit his job in ABB on 16th of December 2016 and he started pursuing his dreams which are one of its kinds. He believes “**If you can dream it, you can do it**”.

### Mr Ganesh Shankar

Mr Ganesh Shankar completed his undergraduate studies from R.V. College of Engineering Department of Telecommunication, in the year 2005. He is a serial entrepreneur in Sustainability / CleanTech space, he is currently the Founder and CEO of FluxGen Technologies and Adjunct Faculty at The Centre for Continuing Education at The Indian Institute of Science, Bangalore. He has been with GE Energy, Selco Solar and NextFirst Technologies before embarking on an entrepreneurial journey. He is also an alumnus of Indian Institute of Science and has done executive education in entrepreneurship at Haas School of Business at University of California at Berkeley. He enjoys long-distance cycling tours – he regularly does national holiday cycle rides, which include Bangalore to Goa, Bangalore to Mangalore, Calicut to Kanyakumari, Mangalore to Goa, Goa to Mumbai etc.

Ganesh’s goal is to save a billion litres of water per day and make industries water positive: <https://youtu.be/4eDcsG49UY0>

Mr Ganesh Shankar has been kind enough to accommodate a large number of internships for students. [www.Ganeshshankar.in](http://www.Ganeshshankar.in)

### Mr. TS RAMASWAMY

T. S. Ramaswamy completed his graduation from RV College of Engineering, Computer Science and Engineering department, 1986-1990 batch. He stated Started LCC (Lakhotia Computer Center) at Ernakulam, Kerala, Kochi in the year 1992, with an aim to educate the youth of this Country and to provide updated technology to the student community, while not compromising on the quality of Education & not to make Education just as a business. Have successfully trained over 1,00,000 students till date and continuing to lead the 29-year-old establishment, as Head of Training, Technical, Marketing & HR.

In the year 1994 he expanded into 39 Franchises across all towns in Kerala. He started a Software company in the year 2000. He continued his venture of LCC franchise overseas to Dubai and UAE in the year 2015. URL of his company is: [www.lcccochin.com](http://www.lcccochin.com)

## Mr. Vijay Krishnamurthy

Vijay Krishnamurthy graduated 1993-1997 from Electronics and Communications Engineering. He has two decades of global work experience that comprises of technology design, sports entrepreneurship and project management.

As part of the IT industry during 1998 - 2011 period, Vijay worked for large corporations such as Broadcom, Synopsys, and Philips across geographies (US, UK, and Asia) in both technical and management roles. Vijay also holds a USPTA tennis coach certification and trained athletes for state and national tennis competitions during his stint as the Founder and Head Coach of Groundstrokes Academy from 2012 - 2018. The academy was operationally merged with TENVIC, a sports firm cofounded by former Indian cricketer Anil Kumble and International Table Tennis player Vasanth Bharadwaj.

In 2018, Vijay crossed over to academia research and is currently working on his Doctoral program (Ph.D.) on sports policy at SDMIMD, University of Mysore. As an ICF-ACC certified Executive Coach, Vijay also works with corporate leaders and entrepreneurs on goal setting and project management. Vijay holds a Master's degree from New Jersey Institute of Technology (USA) and a B.E. degree from Bangalore University. For details, please visit [www.vijaykrishnamurthy.com](http://www.vijaykrishnamurthy.com)

The **ALUMNI ASSOCIATION** of RVCE®

R.V.Vidyaniketan Post, 8<sup>th</sup> Mile, Mysore Road,  
R.V.College of Engineering, Bangalore-560 059

**NEWS LETTER**

Vol : 1 Issue : 5 DEC 2021 Pages: 5 Editor: Dr. N K Srinath and Nateshbabu D R

**Office Bearers:** S Ramakrishna (President) ; Shushruth K S (Vice President); Dr. N K Srinath (General Secretary); Natesh Babu D R (Treasurer);

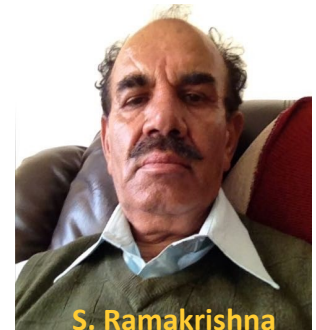

## Alumni Association Election

RVCE alumni association election was conducted between Sunday, 27th June 2021, to Sunday, 11th July 2021. Dr. Radha Krishna, Professor and Head of Civil Engineering, was appointed as the chief election officer for Alumni association elections. He was given free hand to select his team to conduct the election fairly. Dr. Radha Krishna included Ms. Priya D professor of Information Science and Engineering, Mr. Manus professor of Computer Science and Engineering, and students of various departments - Mr. Ketan Vaish, Mr. Rohit Sachin Sadvarte, and Mr. Satvik Tiwari. Alumni association of RVCE thank all the team members who worked hard to conduct online election for the association.

The Alumni who nominated themselves for the executive officer position in the election were – President – Ramakrishna, Vice President – Shushruth K S, Secretary – N.K. Srinath and Shantaram Nayak, Treasurer – D. R. Natesh. For 15 executive post following members had competed – Raghu, Tarun Krishna K, Rohit L, Vasanth K, Gururohan, G R Prashanth, Preetham Shetty, Mahesha, Manjunath K N, N Raju, Darshan D J, Naveen Raju, Arjun Sharma, Arpita Goudar, K L Suresh, G Sridhar settee, Darshan Jayanna, Pooja Jitendra Davda, Mahantesh S Hiremath, Rahul Sonthalia, Sridhar Gopalakrishna, Vikas Singh R, Sudeshkumar C A and Vishal Gowda. The election was conducted on-line for the secretary position and 15 executive members position. Following members were selected.

### Elected Office Bearers

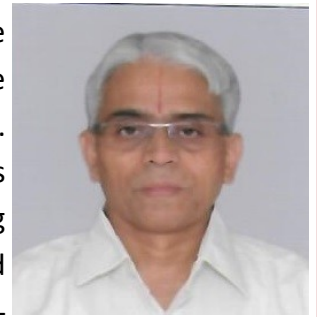

**President:** Mr. S. Ramakrishna: He graduated from Civil Engineering department in the year 1970. He worked in PWD and ID, Government of Karnataka from 1971 to 2004. He retired as chief engineer. Presently he is the President of RVCE Alumni Association and President of Karnataka House Buildings Society Bangalore as a social service.

**Vice President:** Dr. Shushrutha has completed M Tech in Communication systems, Dept. of Electronics and Communication, He served as executive member in The Alumni association of RVCE 2019-2020. He is currently serving as Vice President of The Alumni association of RVCE. He is also College Alumni Coordinator from 2020. Academically, he has one Indian patent in array signal processing assigned to RVCE. He has authored and co-authored 20 papers in IEEE Society Publications. Dr. Shushrutha has been associated with ECE Department of R V College of Engineering since 2008 where he is now Associate Professor. He is currently a Senior Member of IEEE. His research activities are carried out at Center of Excellence in Smart Antenna Systems and Measurement at RVCE.

**Secretary: Dr. N. K. Srinath:** Graduated from RV College of Engineering in the year 1982. He worked for couple of years in M.S. Ramahia Institute of Technology before going to Roorkee University (IIT Roorkee now) to get masters in Systems Engineering and operations research. After graduation, he joined RV College of Engineering and worked in various capacity such as lecturer, assistant professor and Professor. He was heading Information Science Engineering from 2001 to 2008. Completed PhD from Avinashilingam University in Computer Science and became Head of CSE department. Also worked as Dean students' affairs and Dean Academics. In 1999, became Alumni association life member. He was given secretary post in 2000. From 2000, he is holding the post of Alumni Secretary. Took voluntary retirement after attaining 60 years but is continuing as Alumni Secretary.

Dr N.K. Srinath  
Retd. Dean Academics  
RVCE

Mr. D. R. Natesh  
CEO Two-T Technologies

**Treasurer: Mr. D. R. Natesh:** He graduated from Civil Engineering from 1981 to 1985. He later on acquired Innovation, creativity & capital (IC2), Business Administration, Management and Operations Institute of the university of Texas at AustPassionate about solving problems for businesses using technology. Create and scale-up / optimize solutions that truly matter to customers. Delivering outcomes, nurturing high-performance teams, evangelize new thoughts are the key accomplishments. He is a serial entrepreneur (IT Solutions & IoT) now into mentoring startups at faster capital, Dubai and IIMS, Bangalore. Passionate learner, sharing his wisdom and handholding startups.

### Elected Executive committee Members

**Darshan Jayanna:** He graduated in the year 2006 from chemical engineering. He is currently working as Senior Scientist in a SABIC petrochemical company in Saudi Arabia. He worked previously for General Electric Research centre, Bangalore and Mangalore Chemicals and fertilizers, Mangalore. His research interest is in Plastic recycling, bio-degradable polymers, Process intensification, climate change and global energy policy. He has many papers and patents to his credit.

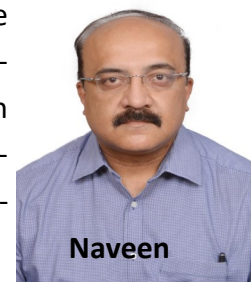

Darshan Jayanna

Pooja Jitendra

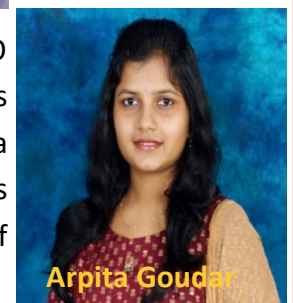

**Pooja Jitendra Davda:** She completed BE in the year 2016 from Computer Science and Engineering. She pursued her post graduation degree in Information Systems from the University of Melbourne, Australia and graduated in 2018. She co-founded Zero Point Robotics in mid 2019.

Naveen

**Naveen Raju:** He Completed BE from Instrumentation and Electronics in the year 1997.

**Arpita Goudar:** She is currently working as a senior technical consulting Engineer at CISCO Systems. Her passion for networking encouraged her to achieve multiple certifications such as CCNA, CCNP, CCIP ( Routing and Switching) and DevNet, just to name a few. She has collaborated with multiple internal teams and have been on rotation programs at CISCO. She has also been awarded for the LEAD Generation program and as a Best Employee for couple of quarters.

Arpita Goudar

Rahul Sonthalia

**Rahul Sonthalia:** He graduated in the year 2015 from Mechanical department. He has a pragmatist approach at work and believes in the idea of 'Fastworks' based on The Lean Start up philosophy by having a customer. He also is a practitioner of Lean Six Sigma DMAIC principles & an evangelist Teaming methodology. He carries a diverse set of experience across multiple domains of Operations. He also has an experience of a Green Field project. Currently he is working a Process Excellence Lead for workflow operations with Google as his Client.

## 21st RVCE Alumni Association AGM

August – 15<sup>th</sup> 2021 AGM was held offline at 11 AM at Vishveshawaria (Civil) Seminar Hall, RV College of Engineering, Bangalore 560059. Since there was not enough quorum the meeting was adjourned. The meeting was rescheduled at 11.30am. There were 27 members present for the AGM. The members present from previous executive office were- President – Ramakrishna, Vice-President – Gopal L Bengeri, Secretary – N.K. Srinath, Treasurer – Natesh Babu. President Ramakrishna gave the welcome speech. He gave brief note about how RVCE Alumni Association started and mentioned some of the previous executive office bearers.

Secretary N.K. Srinath gave a brief report of RVCE Alumni association activities that took place last year 2020-2021. Treasurer, Natesh Babu presented the accounts of the financial year 2020-2021. The same was accepted by Shantaram Nayak and seconded by Pooja. The audited accounts is attached in this newsletter as annexure.

Dr. Radha Krishna who was appointed as the chief election officer for Alumni association elections give a report of the election.

All the executive committee members & office bearers elected for the term 2021-2023 were introduced in the AGM and the new committee took charge. There was only one member office bearers that was replaced. In place of the vicepresident Gopal Bengari, Shushruth took charge.

The meeting was concluded with a vote of thanks by Shrusruth, Vice President of the association. The new executive members were induced in the alumni association executive committee.

**Sitting:** Pooja, Shushruth, Srinath, Ramakrishna, Natesh,  
**Standing:**

### How to Protect Yourself & Others from COVID-19

1. **Get Vaccinate**
2. **Wear mask**
3. **Stay 6 feet away from others**

4. **Avoid crowds and poorly ventilated spaces**
5. **Test to prevent spread to others.**
6. **Stay home when you are sick, except to get medical care.**

**Mr. G R Prashanth:** Prashanth did his mechanical engineering from RV College of engineering in 1997 since then he has been associated with several industry leaders like Bosch, Siemens, IBM and Philips. Over his more than two decades of working he had lived in India, Netherlands and US. He has had several Professional responsibilities and seen many successes including • Lead several (Global) Transformation programs to re-define purpose and focus in a range of Business functions like IT, Procurement, Manufacturing strategy, Finance and Supply chain

**G R Prashanth**

**Manjunath K N:**  
Manjunath completed his M.Tech in the year 2018.

**Sridhar Gopalakrishna:** He graduation from Instrumentation department in the year 19193. He completed Post Graduate Diploma in Business Administration, 2006 in Operations Management from Symbiosis Centre for Distance Learning, Pune . He likes playing chess , cricket and music.

**Mahantesh S Hiremath:** Mahantesh completed his under-graduation in Electronics and Communication from Appa Institute of Engineering & Technology, Kalaburgi. M.Tech in communication systems was completed from RVCE. Currently he is working in Cybersecurity & New Age Technologies. He has been a NCC cadet with Army and Airwing has earned A, B and B and C certificates respectively. He is enthusiastic to give back to the society and has worked with Social Groups like “We Make It possible” in social causes.

**Mahantesh**

**Tarun Krishna Kadamti:** He Completed BE from CSE in the year 2019. He is working currently as a software Developer at a leading OTT firm, Viacom18.

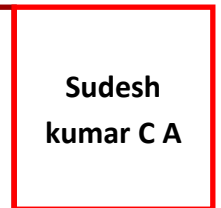

**Tarun**

**Vikas Singh R**

**Vishal Gowda**

**Sudesh kumar C A**

**Rohith L**

**Rohith Lakshminarayana:** He completed his BE and masters from RV College mechanical Engineering Department. He graduated from “Master’s in Information Technology” in the year 2014. Later started working for “Hewlett Packard Enterprise”, in the department of “Center of Excellency- Automation”. He persued his second masters from “Drexel University”, USA. he is a passionate photographer. This turned out to be as an entrepreneur, and he came up with a photography company as “ZUCI Photography”. He is a professional photographer and has take up concerts, modelling shoots, product, wedding events.

## Identify the people in the photos and win prizes

We have number of pictures, we will post one or two in each newsletter. We would like alumni to identify them and send a mail to -

**[rvcealumni2021@gmail.com](mailto:rvcealumni2021@gmail.com)**

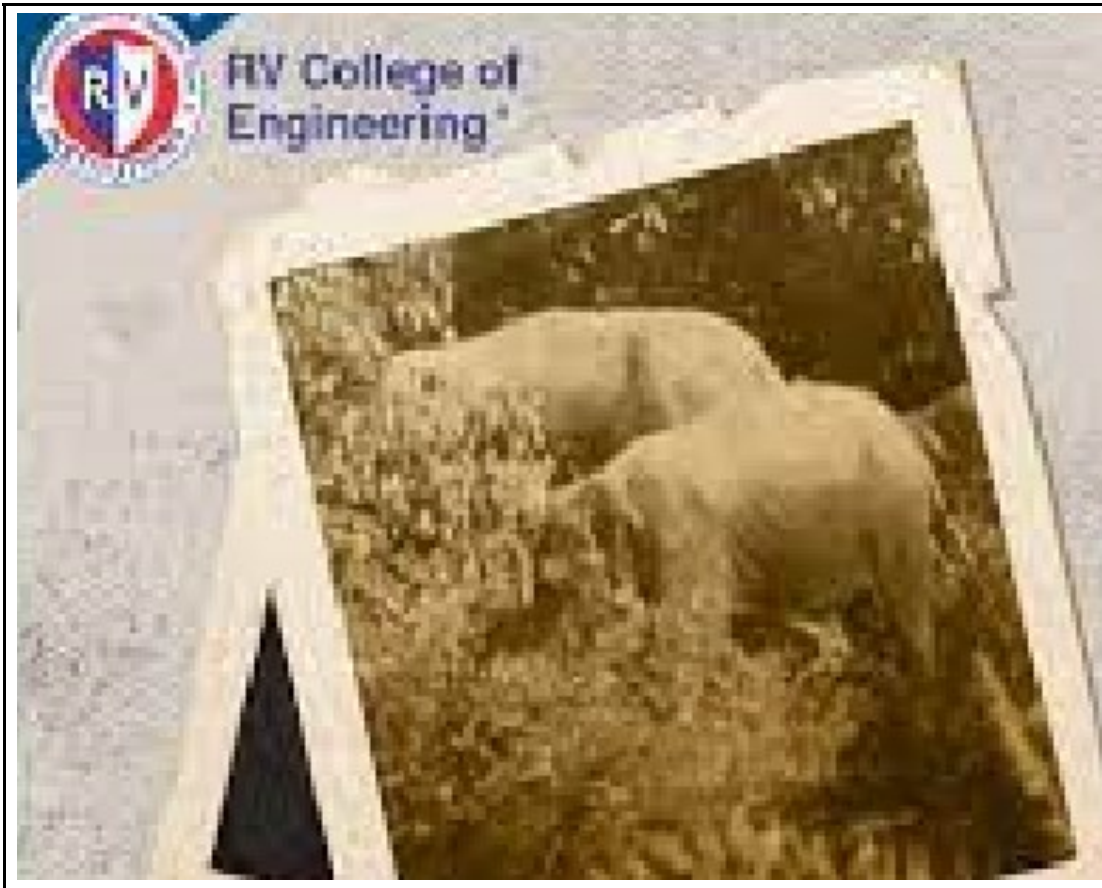

Please identify them from top row, second row and third row from left to right Give us the details such as of each person (1) Student or staff(2) year of passing and (3) names.

Please identify yourself Name, Year of passing, department, phone number and email.

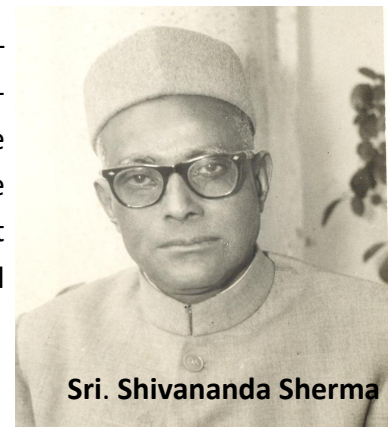

## Unexpected visitor at RVCE on 27th Jan 1985

A herd of wild elephants strayed into the campus of RV College of Engineering. It was later found that an Elephant had given birth to a baby elephant at the back side of the campus. Even though they did not enter into the main part of the campus, the curiosity made some students and staff to go near them. This disturbed their peace. However, the local residents and forest officials escorted back into the wild.

## About the Institution

The visionary and a dynamic academician Sri. Shivananda Sherma stated RSST. The figure shows the visionary. RV College of Engineering is one of the institutions. R V College of engineering was stated in 1963 with a few students in each of the three discipline Electrical, Mechanical and Civil. It was affiliated to Mysore University. Its classes were arranged in RV Teachers College. Labs for the engineering discipline were arranged at BMS College of Engineering. The present RV College of Engineering belong to a Nepal King. After buying it from the Nepal King, the buildings were constructed.

**Sri. Shivananda Sherma**

The first building is the present Civil Engineering department building where Principal

room and office stated. In due time workshops were constructed. Figure-2a and figure 2b shows the workshop being constructed and the finished building respectively. We see the trust member in Fig 2a and Figure-2b shows the principal in front of the workshop that belongs to Mechanical department.

### Mentorship, guidance and support of RVCE Alumni year wise

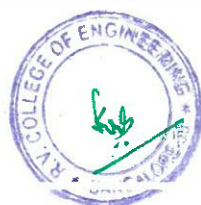

Academic Year	Sl No.	Name of the Alumni	Year of graduation	About his contribution
2022-2023	1	ProjectX Labs	2023	CATIA , SOLIDWORKS, 3D PRINTING, RC MODELLING
	2	Mr. Srivatsa M G	2020	2 Days Hands-On workshop on 'Physical Design'
	3	Sakib Noorahmed Bagewadi	2021	Conducted Two-day workshop on Modern Application Development
	4	Shri Hari	2021	Hands on Session on Real time applications of AI using Tensor Flow
	5	Shubam	2019	One Day Workshop on "Full STACK Development using JavaScript&Java
2021-2022	1	Mr.Abhishek BV,	2019	Hands on session on "Cyber Security and Ethical hacking"
	2	Nuthan Sonale	2020	Hands on session on Docker
	3	Ravi Teja	2016	Work shop on Java Framework Based Software Solutions
2020-2022	1	Jones	2018	Hands-on seaaion on AWS services
2019-2020	1	Rijo Varghese	2015	Conducted One Day Workshop 'Software Automation Testing using Selenium'
2018 -2019	1	Rajath Kiran	2010	Workshop on etabs training between April 2019 to May 2019

### BOS contribution of RVCE Alumni year wise

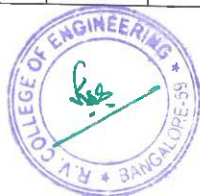

Academic Year	Sl No.	Name of the student	Year of graduation	About his contribution
2022-2023	1	Ms. Swathi Reddy	2019	Recommendations for syllabus updation. Latest tools utilization in academics
	2	Mrs. Deeksha Shravani	2021	Software Engineer, at Microsoft has contributed with inputs on Virtual reality during BoS Meetings
	3	Mr.Raghavendra Rao	2003	Actively involved in the BoS for syllabus revisions and giving important suggestions for quality syllabus formulation. His valuable inputs have led to the quality syllabus specially in the domain of VLSI and Communication
	4	Mr. Prasad Ranga	1982	BoS Member
	5	Mr. Manjunath Reddy	2018	BoS Member
	6	Mr. Ganesh Shankar	2005	BoS Member
	7	Mr. Saurabh Chakraborty	2006	Review and guide the department in setting the syllabus to match the current IT requirements
	8	Mr. Akshay Marathe	2009	Representative from corporate sector, reviewing syllabus
2021-2022	1	Ms Swathi Reddy	2019	Curriculum Scrutiny Technical Suggestions on courses Reviewing and updating syllabi
	2	Mr. Akshar Prasad	2021	Mr. Akshar Prasad, is ML Engineer at Atlassian Bangaluru has contributed with inputs for Machine learning and Software Engineering subjects in the BOS
	3	Raghavendra Rao	2003	Appreciated introduction of ARM processor
	4	Himajit Aithal	2011	Gave inputs on Service operations and it's requirement in industry
	5	Deeraj S	2022	Gave inputs on course contents for several courses

				and student preferences with regard to learning requirements
	6	Sanjana Hemaraju	2021	Gave inputs on Service operations and it's requirement in industry
2020-2021	1	Mr Mughilan	2012	Reviewing and updating syllabi reviewing programmes outcomes Suggestion on Unmanned Aerial Vehicles. Recommendations to Control Engg Course
	2	Raghavendra Rao	2003	Actively involved in the BoS for syllabus revisions and giving important suggestions for quality syllabus formulation. His valuable inputs have led to the quality syllabus specially in the domain of VLSI and Communication
	3	Himajit Aithal	2011	Actively participated and gave valuable suggestions in framing the syllabus
	4	Akshit Bhalla	2020	Gave inputs on Data analytics wrt IEM and training requirements
	5	Chethak T.K	2002	Review and guide the department in setting the syllabus to match the current IT requirements
2019- 2020	1	Mr. Mughilan	2012	Reviewing and updating syllabi reviewing programmes outcomes Suggestion on Unmanned Aerial Vehicles. Recommendations to Control Engg. Course
	1	Dr. G.S. Manjunath	2013	Suggested few areas for Design Thinking Lab. Inputs for selection of topics for PG Technical Seminar and for inclusion of grades in 8th semester for MOOC courses.
	4	Mr. Shreyas Srinath, Intel	PG CNE Alumnus (2016-2018)	contributed to the design of new syllabus with intel inputs on firmware and Web Application Development using proprietary framework, code debugging , bug fixing , handling deployment issues .
	5	Mr. Ravi Kumar Pareet,	PG CSE Alumnus	IT Consultant ABB contributed for BOS

	6	Raghavendra Rao	2011	Actively involved in the BoS for syllabus revisions and giving important suggestions for quality syllabus formulation. His valuable inputs have led to the quality syllabus specially in the domain of VLSI and Communication
	7	Himajit Aithal	2011	Actively participated and gave valuable suggestions in framing the syllabus
	8	Mr. Chethak T.K	2002	Review and guide the department in setting the syllabus to match the current IT requirements
2018 -2019	1	Mr. Mughilan	2012	Reviewing and updating syllabi reviewing programmes outcomes Suggestion on Unmanned Aerial Vehicles. Recommendations to Control Engg Course
	2	Sri Lokesh Hebbani	1990	Review of curriculum, profram outcomes. suggested to emphasis more on research, hands on training and field exposure.
	3	Dr. G.S. Manjunath	2013	Inputs to curriculum design of the course surveying and suggestion to reduce open electives and accomodate core courses.
	4	Mr. Ravi Kumar Pareet,	PG Alumnus	IT Consultant ABB contributed for BOS
		Keerthy J	B.E in CSE, ( 2003- 2007) batch	r. Keerthy Jagadeesh, Lead Engineer, Texas Instruments, Bengaluru is Actively involved in the BoS for syllabus revisions and giving important suggestions for quality syllabus formulation. His valuable inputs have led to the quaiity syllabus specially in the domain of 2018 scheme of CSE and ISE
		Himajit Aithal	2011	Actively participated and gave valuable suggestions in framing the syllabus
		Sumant N	2017	Gave inputs on industry requirements specifically from supply chain POV
		Chethak T.K	2002	Review and guide the department in setting the syllabus to match the current IT requirements

### Technical talks of RVCE Alumni year wise

Academic Year	Sl No	Name of the student	Year of graduation	Topics Delivered	About his contribution
2022-2023	1	Avinash Narayanaswamy	2004	Biodiesel - Odyssey	It was a talk and inauguration of Avinash's 30000KM trip on a biodiesel run car
	2	Mr. Manjunath B P	1991	Invited talk on VCO & PLL	Dr. Manjunatha BP gave us an insight on the current trends in the industry, importance of analog electronics followed by detailed overview explanation on BJT current mirrors, overview on Wilson current mirror, types of oscillators, effect of capacitance variation in VCO, applications of VCO, then the focus was shifted towards Phase locked loop by explaining the importance of PLL and the effects of clock frequency variation in PLL,
	3	Mr. Srivatsa M G	2020	Invited TALK on Physical Design	The speaker showed animations to help the students visualize what was taking place. The session also touched upon several other topics such as Power Mesh, CTS-Clock Tree Synthesis and Advanced Transistor Techniques.
	4	Dr. janakiraman viraraghavan	2003	Expert talk on Geometric Programming Approach to Glitch Minimization via Gate Sizing	The speaker provided in-depth insights into the significance of transistor size and its direct impact on minimizing glitches, which are undesirable fluctuations in digital signals.

	5	Nutan Sonale,	2020	Software Defined Network and Gns3	Introducing the new technology on SDN 2nd sem Elective students
	6	Manjunath N Lamani	2011	“ Guidelines to become an Entrepreneur”	Talk on ideas, raising funds to become an Entrepreneur
	7	Sujay	2005	Carrier guidance	Introduced to company culture
<b>2021-2022</b>	1	Darshan Jayanna	2006	Reactor Scale-up	Delivered lecture online on Reactor design and scale-up. This was a specific talk contributing to a course in 7th semester called Pilot Plant and Pilot Studies
