

Women in Cloud Center of Excellence in India

Women in Cloud is a community-led economic development organization taking action to generate \$1B in net new global economic access for women entrepreneurs by 2030 through partnerships with corporations, community leaders, and policymakers. RVCE in collaboration with the Women in Cloud network has established a Center of Excellence with the main objective of empowering women on cloud technological skills and accelerating employability options established in March 16th 2022 in the RVCE campus.

The WiC CoE in India work towards majorly in the following aspects:

- Digital Skilling which encompasses skilling of underprivileged and economical background students for the computer fundamentals knowledge.
- Internship which spans for either 1 or 2 month period based on the requirements for both Undergraduate and Postgraduate engineering students for enriching their technical skills for industry readiness.
- Facilitates hands on sessions using the maximum of open source tools like Docker, Kubernetes, Github and IBM cloud.

The following events are organised and attended as a part of Women in Cloud CoE in India:

AY: 23-24			
Sl No	Event Description	Date	Participants
1	Internship Training for both UG and PG students of RVCE and outside colleges	03.12.23 – 03.01.2024	100
2	Internship Training for UG students	22.10.2023 to 22.11.2023	20
3	empowHERaccess at VEEAMON 2023 Industry Tour Bangalore Sep8th 2023- Panel discussion and awards ceremony	08.09.2023	200+ Academia & Industry
4	Internship Training for UG and PG students	22.11.2022 – 20.01.2023	20

Women in Cloud Center of Excellence in India

AY: 22-23			
6	Boeing Women in Cloud Year End Event – 2022- facilitated faculty and students from RVCE at Boeing campus	21.12.2022	15
